

## CERTIFICATE OF COMPLIANCE

### Product Description: Feathers

#### Safety measure taken by the John Bead's suppliers in the process of obtaining and processing the feathers:

- All feathers are acquired from farmed only birds. No wild birds' feathers being used.
- All feathers certified as humanely sourced.
- All feathers have been thoroughly washed, cleaned, and subjected to the following process to render them free of infectious disease.
  - The feathers are clean, dry, and free from blood, manure, and skin (except that which is incidental to the feathers).
  - The feathers were heat treated at a minimum temperature of 120°C for at least 60 minutes.
  - Imported products were not exposed to any other animal products.
