¹ **Exceptions:** In the following cases, the testing costs are however paid by the federal government: for children under 16, for people who demonstrably cannot be tested with a nose and throat swab or be vaccinated, and those who are not fully vaccinated.

² **Please note:** for repeat testing, the cantons decide whether certificates can be issued.

³ In the event of a **positive PCR test**, a **certificate of recovery** will be issued on the 11th day after the test result.
