THE CHALLENGE

Weather. Stress. Pollution. Travel.

The ever-changing aggressors of modern life require adaptive solutions. Every day, we surround ourselves with technologies that adjust to our needs. So why doesn't skin care do the same?

THE SOLUTION

Bio-Mimic Technology

We created patent-pending Bio-Mimic Technology to exactly match the composition of skin, delivering precisely what it needs and nothing it doesn't. Thanks to this innovation, Countermatch can efficiently feed your complexion

Hydration

Derived from green olives, squalane draws moisture into the skin and restores elasticity.

Nutrition

Found naturally in beetroot, arginine provides nutrients and energy for vibrant, healthy skin.

Oxygenation

Sourced from green rice, phytic acid helps skin breathe for a natural glow.

THE RESULTS

Refreshed. Vibrant. Radiant.

Each product in the Countermatch Collection provides optimal hydration, a smooth look and feel, and a radiant glow.
