

# A DAY IN THE LIFE OF AN ELITE SPORTSPERSON

Leadership and Social Development Program

– Year 7 and Year 8

The life of an elite sportsperson is more than just 'training and playing'. Each elite athlete spends time each day developing skills outside of the sport they play in order to improve their overall health and wellbeing, and we believe that students should be no different.

This program focuses developing life skills that will assist each student in their day to day life as well as encourage life-long healthy habits. We have adopted strategies and resources used by Elite Sportspeople covering the following topics:

- **Respectful Communication with Others:** Active Listening, and appropriate communication in a variety of media.
- **Courage:** Courage to do the 'right' thing, and standing up for what you believe in.
- **Teamwork:** Everyone has the right to be included. Being cooperative with others.
- **Caring for Others:** Having empathy for others, and valuing diversity.
- **Self-Direction:** Meaningful Goal Setting – SMARTER Goals.
