

# A DAY IN THE LIFE OF AN ELITE SPORTSPERSON

Personal Development- Year 5 and Year 6

The life of an elite sportsperson is more than just 'training and playing'. Each elite athlete spends time each day developing skills outside of the sport they play in order to improve their overall health and wellbeing, and we believe that students should be no different.

This program focuses developing life skills that will assist each student in their day to day life as well as encourage life-long healthy habits. We have adopted strategies and resources used by Elite Sportspeople covering the following topics:

- Developing Mindfulness: Being Mentally Aware
- Staying Healthy: Sleep, Nutrition, Physical Activity, and Fun
- Creativity and Problem Solving: Embracing problem-solving and releasing creativity
- Resilience and Grit: Overcoming the 'uncomfortable'. Stickability.
- Developing a Growth Mindset: Explore the benefits of having a Growth Mindset
