## < OUR METHOD

Our Methodology of Educate - Activate - Motivate is designed for maximal impact and has been used across all of our national education programs with great success. We now bring it to the workplace where we want to give participants a fun and educated experience with sustained results.

## FOR ALL TEAMS >

AFL Teams spend hours building connection and relationships each week to enhance performance on game day. We are bringing these techniques and activities to the Max Team Building experience to assist in strengthening your workplace relationships and improving your team's performance.
