

# A DAY IN THE LIFE OF AN ELITE SPORTSPERSON

High Performance Wellbeing - Year 5 & 6

The life of an elite sportsperson is more than just 'training and playing'. Each elite athlete spends time each day developing skills outside of the sport they play in order to improve their overall health and wellbeing, and we believe that students should be no different.

This program focuses developing life skills that will assist each student in their day to day life as well as encourage life-long healthy habits. We have adopted strategies and resources used by Elite Sportspeople covering the following topics:

- **Data Collection and Analysis:** Game analysis, Measuring Activity/Fitness
- **Dealing with Pressure:** The Pressures of Life; school, sport, home-life.
- **Preparation and Recovery:** how 'elite' strategies of preparation and recovery can apply to students.
- **Skill Development:** Fundamental and Transferrable movement skills through play.
- **Decision Making:** Importance of effective decision making to improve performance and wellbeing.

Each AFL Max Education experience is structured into three parts, and you will receive the following with your booking:
