Students with higher scores or grades than required for a particular programme level may still enrol at that level. Where the entry requirements for a programme are for a higher English proficiency outcome than is listed in the relevant row of the Table for the programme level in which the student is being enrolled, the student must meet that higher level.

Note 2: All test scores must be from a single report except:

- TOEFL iBT where the test scores must be from a single report for a single test date, and the My best Scores option must not be used
- LanguageCert where the test scores must be from a single report for Written (LRW) and a separate individual report for Spoken (S).

Note 3: New versions of some NZCEL qualifications, and in some cases new qualifications, were published on 13 June 2017. These are intended to replace pre-existing versions and qualifications, which have been given expiring status until discontinued on 31 December 2019.
