This PO shall be binding upon Supplier and its successors and assigns, if any, and Supplier shall obtain the agreement of each of its agents and subcontractors to be bound to these PO Terms unless otherwise authorized and approved by Ocean Spray.
- 2. ACCEPTANCE.** A PO is not binding on Ocean Spray until Supplier accepts the PO in writing, starts performance under the PO, or accepts any payment from Ocean Spray under the PO. Ocean Spray may withdraw the PO at any time before it is accepted by Supplier. ANY DIFFERENT OR ADDITIONAL TERMS IN YOUR ACCEPTANCE OF A PO ARE HEREBY EXPLICITLY REJECTED. These PO Terms apply to any repaired or replacement Goods provided by Supplier hereunder. Ocean Spray is not obligated to any minimum purchase or future purchase obligations under this PO.
- 3. AMENDMENTS:** No modification or change to the PO Terms of this PO shall be applicable to any PO between Ocean Spray and Supplier unless it is specifically agreed to in writing by both parties.
- 4. PRICING.** Prices established in the PO for any Goods and/or Services shall be the full compensation for the Goods and/or Services (together the “Price” or “Pricing”). Ocean Spray shall not be liable for payment or reimbursement of any additional charges. No increase in the Price or extra charges will be effective or incurred unless agreed upon in advance in writing by Ocean Spray.
- 5. INVOICES AND PAYMENT TERMS.** Invoices must contain the following information: issuance date, PO number, part numbers, description of Services or Goods, quantity, Prices, and all supporting documentation, if any. Invoices must list tax amounts separately. Invoices must contain the foregoing to be deemed payable by Ocean Spray. Any deviation or missing information may delay or prevent payment. Unless otherwise stated in the PO, payment terms for the PO will be ninety (90) from the date of Ocean Spray’s receipt of an invoice from the Supplier. Ocean Spray shall have the right to offset payments due Supplier by any amounts Supplier owes Ocean Spray. Payment does not constitute final acceptance. Supplier shall continue performing its obligations under the PO notwithstanding a dispute. Ocean Spray may withhold payment, in whole or in part, and take action in accordance with the PO if Ocean Spray finds any Goods and/or Services to be defective, untimely, unsatisfactory, or otherwise not conforming to the PO or applicable Laws, as defined herein.
- 6. DELIVERY AND SHIPMENT TERMS.** All Goods and/or Services shall be delivered to the address specified on the PO (the “Delivery Point”) during Ocean Spray’s normal business hours or as otherwise instructed by Ocean Spray. Delivery shall be made at the Delivery Point in accordance with the PO. Supplier shall deliver the Goods and/or Services by the delivery date established on the PO (“Delivery Date”). Timely delivery of the Goods or Services is of the essence. Ocean Spray will only pay for the Goods and/or Services detailed in the PO and nothing more. Any overage will be at the peril of the Supplier, and Ocean Spray is not obligated to pay for any over-delivery. Supplier shall provide written notice of shipment to Ocean Spray when the Goods are delivered to a carrier for transportation. Supplier shall provide Ocean Spray all shipping documents, including the commercial invoice, packing list, air waybill/bill of lading and any other documents necessary to release the Goods to Ocean Spray within three (3) business days after Supplier delivers the Goods to the transportation carrier. Title passes to Ocean Spray upon delivery of the Goods to the Delivery Point. Supplier bears all risk of loss or damage to the Goods until delivery of the Goods to the Delivery Point. If Supplier fails to deliver the Goods in full on the Delivery Date, Ocean Spray, in its sole option, may: (a) agree in writing to a different Delivery Date; or (b) terminate the PO immediately, without liability to Ocean Spray, by providing written notice to Supplier and Supplier shall indemnify Ocean Spray against any losses, claims, damages, and reasonable costs and expenses directly attributable to Supplier’s failure to deliver the Goods on the Delivery Date.
- 7. WARRANTY.**
 - a. Service Warranties.** Supplier represents and warrants that it has the capability, skill, and expertise to complete the performance required, will perform in a professional and workman-like manner, in compliance with all applicable laws, and satisfy all obligations under the PO. These warranties are cumulative and in addition to any other warranty provided by law or equity.
 - b. violate, or misappropriate any third party's patent or other intellectual property rights, and that Ocean Spray's use of such Goods shall not infringe or misappropriate any third party's rights; (g) comply with the highest warranties and representations expressed by Supplier orally or in a written advertisement, correspondence, or other document provided to or in the possession of Ocean Spray; and (h) comply with all Laws, as defined herein. The corrective work shall be done diligently and expeditiously, consistent with Ocean Spray's needs. Supplier guarantees any adjustment, repair, or replacement to the same extent the original Goods were warranted. Supplier agrees to correct the defects and nonconformities at Supplier's expense, to be liable for all direct damages suffered by Ocean Spray and any other persons, and to defend and indemnify Ocean Spray, its officers, employees, and agents from any claim asserted by any person resulting in whole or in part from such breach. These warranties survive any delivery, inspection, acceptance, or payment for such goods. These warranties are cumulative and in addition to any other warranty provided by law or equity.

- 8. RECALLS.** If any Goods, or any components thereof, supplied under these PO Terms or any applicable PO is subject to a recall, market withdrawal, or other corrective action ("**Recall Event**"), whether voluntary or mandated by a governmental authority, Supplier shall notify Ocean Spray in writing within twenty-four (24) hours of becoming aware. Notice must include the nature of the issue, any identifiers needed to trace the Goods (i.e., affected lot numbers, quantities, IANs, item codes, etc.), plus any known or suspected risks to quality, health and safety, or regulatory compliance. Supplier shall initiate and manage the Recall Event and cooperate fully with Ocean Spray, which will assist in identifying and managing affected inventory, including finished goods. If the Recall Event results from Supplier's actions, omissions, or negligence, Supplier shall indemnify, defend, and hold harmless Ocean Spray from all verifiable costs, damages, liabilities, and expenses, including but not limited to finished goods rework, disposal, customer notifications, and regulatory reporting. Supplier shall maintain complete records of the Recall Event, including root cause analysis, corrective actions, and regulatory communications, and provide them to Ocean Spray upon request.
- 9. INSPECTION.** Ocean Spray, its employees, and/or its representative shall be entitled to access and audit, to the extent practicable and at any and all times during and after performance, the performance and anywhere performance is conducted, any facilities or locations at which Goods or Services are produced, stored, handled or performed, during Supplier's regular business hours with reasonable advance notice. Inspection by Ocean Spray does not relieve, reduce, or otherwise affect Supplier's responsibilities hereunder, including inter alia for any failure under the PO, violation of Law, or breach of the warranties herein. Ocean Spray shall have the right to conduct further inspections after Supplier has carried out any remedial actions. Supplier, without cost to Ocean Spray, shall provide all reasonable assistance to ensure the safety and convenience of the inspectors. At the time of inspections, Supplier shall make available copies of all records, drawings, specifications, packaging data or any relevant information applicable to the Goods and/or Services. The inspection shall be deemed as preliminary only, and all items shall be subject to final inspection and acceptance upon delivery.
- 10. DEFAULT; DEFECTIVE WORK.** Ocean Spray has the right to inspect the Goods and/or Services on or after the Delivery Date. Ocean Spray, at its sole option, may inspect all or a sample of the Goods and/or Services, and may reject all or any portion of the Goods and/or Services if it determines the Goods and/or Services are damaged, defective, or otherwise nonconforming with the obligations set forth in the PO and PO Terms. Failure by Ocean Spray to inspect or test any Goods and/or Services shall not relieve Supplier of any responsibility. If Ocean Spray rejects any portion of the Goods and/or Services Ocean Spray has the right, at its sole option, effective upon written notice to Supplier, to: (a) terminate the PO in its entirety, without liability to Supplier, and receive full reimbursement; (b) accept the Goods and/or Services at a reasonably reduced Price; and (c) require repair or replacement of the rejected Goods and/or Services. If Ocean Spray requires repair or replacement of the Goods and/or Services, Supplier shall, at its risk and expense, repair or replace the rejected Goods and/or Services and pay for all related expenses, including but not limited to, transportation charges for the return of the rejected Goods and/or Services and the delivery of repaired or replacement Good and/or Services. If Supplier fails to timely deliver repaired or replacement Goods and/or Services, Ocean Spray may replace them with Goods and/or Services from a third party and charge Supplier the costs thereof and terminated the PO for cause pursuant to Section 11. Any exercise of Ocean Spray's rights under this Section 10 shall not reduce Supplier's obligations or Ocean Spray's rights and remedies under the PO and PO Terms or applicable law, and Ocean Spray shall have the right to conduct further inspections after Supplier has carried out any remedial actions.
- 11. TERMINATION.** Ocean Spray may terminate the PO, in whole or in part, at any time with or without cause for undelivered Goods or Services by 15 days' prior written notice to Supplier. In addition to any other remedies that may be provided under these PO Terms or otherwise, Ocean Spray may terminate the PO with immediate effect upon written notice to the Supplier if Supplier has not performed or complied with the PO, in whole or in part. If the Supplier becomes insolvent, is generally unable to pay, or fails to pay, its debts as they become due, files a petition for bankruptcy, or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization, assignment for the benefit of creditors, or any other proceedings of similar effect under applicable law, then Ocean Spray may terminate the PO upon

- 16. ASSIGNMENT.** Supplier will not assign a PO, or any interest therein, or any money due or to become due hereunder, or subcontract any major part hereof, other than regularly purchased components, unless expressly authorized in writing by Ocean Spray. If the Supplier receives Ocean Spray's information or access to Ocean Spray's systems under this Agreement, Supplier represents that it shall comply with all applicable data protection laws. Irrespective of Supplier's duty to comply with all such laws, Supplier covenants to comply with all provisions of this section. Supplier will notify Ocean Spray within twenty-four (24) hours upon learning of any accidental or unlawful unauthorized destruction, disclosure of or access to Personal Information or other Ocean Spray's information ("Security Incident"). Supplier shall take reasonable steps to mitigate the effects of, and minimize any damage resulting from, such Security Incident. After initial notification, Supplier will keep Ocean Spray updated on a regular basis and provide a reasonably detailed incident report which shall include the steps taken by Supplier to investigate the Security Incident and to minimize any potential damages resulting from the Security Incident. At Ocean Spray's reasonable request, Supplier agrees to meet with Ocean Spray to discuss, as applicable and available at the time, the procedures that were followed during the investigation of any Security Incident, the chain of custody of Ocean Spray's information, and the remedial/corrective action to be taken to prevent the Security Incident from occurring again. Supplier further agrees to reasonably cooperate with and assist Ocean Spray in any investigation related to a Security Incident Ocean Spray determines is necessary. Ocean Spray shall be allowed to audit Supplier's document retention policies and procedures, as well as its protection of Ocean Spray's, upon Ocean Spray's reasonable request for so long as Supplier retains copies of Ocean Spray's information. As and when instructed by Ocean Spray, and/or the expiration and/or termination of this Agreement, Supplier shall irretrievably destroy, delete, and/or return to Ocean Spray, at Ocean Spray's sole discretion, all of Ocean Spray's data in Supplier's possession. Within (30) days of any such request by Ocean Spray, and/or the expiration and/or termination of this Agreement, Supplier shall issue a written certification to Ocean Spray evidencing Supplier's compliance with this section.

Ocean Spray agrees not to unreasonably withhold written approval from Supplier prior to such implementation. Wherever possible, Supplier shall ensure that artificial intelligence functions are turned off by default for Ocean Spray or otherwise require Ocean Spray to opt-in to any artificial intelligence use.

- e. Representations and Warranties.** Supplier represents and warrants that any output generated by its artificial intelligence offering(s) is substantially accurate and free of errors, obscenities, hate speech, sexually explicit content, and content that would infringe upon any intellectual property rights at the time it is provided to Ocean Spray. Supplier hereby represents and warrants that Supplier shall use commercially reasonable measures to assess and verify the accuracy, validity, and integrity of any outputs generated by its artificial intelligence offering(s) and provided to Ocean Spray, including any outputs integrated or included in full or in part in any deliverables, work product, or other similar content generated by Supplier and provided to Ocean Spray. Supplier hereby represents and warrants that it has commercially reasonable policies, procedures, and practices in place to validate any outputs generated by its artificial intelligence offering(s) and correct any errors, inaccuracies, or other qualitative issues in such outputs. Such policies, procedures, and practices may include, but are not limited to, monitoring of artificial intelligence systems and outputs by human beings, sometimes referred to as "human-in-the-loop" (HITL). Ocean Spray may request, and Supplier hereby agrees not to unreasonably withhold, information about Supplier's

policies, procedures, and practices governing its use of artificial intelligence. Supplier hereby represents and warrants that, in the event that Ocean Spray identifies any issue with the accuracy, validity, or integrity of any output generated by artificial intelligence and provided to Ocean Spray by Supplier, Supplier shall promptly take corrective action consistent with its policies, procedures, and practices and provide Ocean Spray with corrected output(s) without undue delay.

- f. Both Parties acknowledge that artificial intelligence usage is emergent and agree that additional scope and terms may be necessary for future initiatives by Supplier. If any artificial intelligence usage by Supplier falls outside the scope of this section or would otherwise incur additional cost to Ocean Spray, the Parties agree to mutually negotiate and agree upon any additional necessary terms and pricing before such implementation.

23. CHOICE OF LAW. A PO and its performance shall be governed by the law of the Commonwealth of Massachusetts as if it was executed and performed entirely therein.
