

TELECOMMUNICATIONS LICENSE AGREEMENT

THIS AGREEMENT made this 1st day of February, 2013.

BETWEEN

2034631 ONTARIO INC.
(the "Licensor")

AND

TELUS COMMUNICATIONS COMPANY.
(the "Licensee")

IN CONSIDERATION of the fees paid by the Licensee to the Licensor and the covenants and terms contained in this License, the Licensor grants a license to the Licensee as follows:

1. **Building Address:** municipally described as 200 Consumers Road, Toronto, Ontario (the "Building").
2. **Term:** 1 years (the "Term").
3. **Commencement Date:** March 1, 2013 (the "Commencement Date").
4. **Point of Presence Space:** The point of presence space is in the approximate location as provided in Schedule "A" attached. The point of presence space is the area occupied by the Licensee's Communications Equipment in the main telephone room (hereinafter referred to as the "POP Space").
5. **POP Space Fee:** The Licensee agrees to pay the Licensor two thousand dollars \$2,000.00 per annum plus HST, payable annually in advance beginning on the Commencement Date. Licensor's HST number is 871457404 RT0001.
6. **Additional Costs:** In addition to the POP Space Fee, the Licensee if requested by the Licensor agrees to pay within 30 days of receipt of invoice, the following costs incurred by the Licensor related to the License granted by way of this License:
 - a) to reimburse the Licensor for after regular business hours security escorted access to the Building, Building Risers, or the Equipment Room, the actual cost. Such fees shall not be charged if recovered by the Licensor from the tenants or occupants of the building; and
 - b) charges for the Licensee's electricity supplied to the POP Space which may be based on actual readings from a sub-meter installed by the Licensee at its cost.
7. **Option To Extend Term:** The Term shall automatically extend for an additional period of 12 months, unless terminated by the Licensee on a minimum of sixty (60) days' written notice prior to the expiry of the Term, on the same terms and conditions as this License, save and except for any further right to extend and the POP Space Fee, which fee shall be at the then prevailing market rate considering the alternate use of the space, the location of the Building and the location and amount of space occupied, as agreed to by the parties. In the event the POP Space Fee cannot be so determined, such fee for the extension term shall be determined by a single arbitrator in accordance with the applicable arbitration legislation for the province in which the Building is situated.
8. **Use and Access:** The Licensor grants the Licensee the non-exclusive right to provide telecommunications services to the tenants and occupants of the Building (hereinafter referred to as "the Licensee's Services"). In order to provide the Licensee's Services, the Licensee may construct, install, operate, maintain, repair, service, upgrade and modify, remove and replace Communications Equipment in the POP Space. The Licensee may also use and access all portions of the Building pathways and lands on which Building is situated, necessary to, and is granted the right to, construct, install, operate, maintain, repair, service, upgrade and modify cable and related equipment (hereinafter referred to as the "Connecting Equipment") for the provision of the Licensee's Services.

9. Installation and Maintenance of Licensee's Equipment: The Licensee agrees to obtain all required governmental permits and approvals at its cost prior, to installing any Communications Equipment or Connecting Equipment, and prior to making any material changes, additions, improvements or alterations to same, all such material changes, additions, improvements or alterations shall be consistent with industry standards.

Prior to installation of, or material improvement or alteration to, the Connecting Equipment, the Licensee shall provide the Licensor with working drawings showing the proposed location of the Connecting Equipment to be installed on or about the Lands and Building, as well as provide the Licensor with particulars, including method of attachment of the Connecting Equipment, all of which shall be subject to the prior written approval of the Licensor, such approval not to be unreasonably withheld or delayed. At the request of the Licensor the Licensee shall reimburse the Licensor for the actual cost, reasonably incurred, for the review of such working drawings.

The Licensee covenants and agrees that all work regarding any installations, material improvement or alteration to the Connecting Equipment shall be in accordance with the working drawings provided to the Licensor and industry standards.

10. Licensee's Equipment: Upon the expiry or earlier termination of this License, the Licensee shall remove its Communications Equipment and if not useable its Connecting Equipment, and repair any damage caused by such installation or removal. The Licensor acknowledges that the Communications Equipment and the Connecting Equipment, notwithstanding same may be affixed to the Building, shall at all times remain the property of the Licensee, and that the Licensor does not have, nor will it have, any right, title or interest whatsoever in the Communications Equipment and Connecting Equipment.

11. Indemnity and Insurance: The Licensee shall indemnify and save harmless the Licensor for any loss, claim or damage to person or property arising out of the use and/or occupancy of the Building by the Licensee or those for whom it is responsible in law. The Licensee shall maintain in force public liability and property damage insurance coverage of not less than five million dollars (\$5,000,000.00), and the Licensee shall add the Licensor to the Licensee's insurance as an additional insured.

12. Default and Termination: The Licensor shall be entitled to terminate this License in the event of any breach of this License by the Licensee if the Licensee fails to cure or to commence in good faith to cure such breach within thirty (30) days following written notice of such breach from the Licensor. The Licensee may terminate this License upon thirty (30) days' written notice to the Licensor if the Licensee shall be unable to obtain or shall cease to possess any necessary rights or approvals from any appropriate governmental or regulatory authority or in the event that the Building should become unsuitable or commercially impractical for the Licensee's business, in which case any prepaid portion of the POP Space Fee shall be adjusted as of the effective date of termination and returned forthwith to the Licensee.

13. Assignment: The Licensee may not assign or sublicense this License, in whole or in part without the Licensor's prior written consent, which shall not be unreasonably withheld or unduly delayed; however, where any such assignment or sublicense is to an affiliate, parent or subsidiary corporation, secured lender or acquirer of a material portion of the Licensee's voting shares or assets, the Licensor's consent shall not be required, but notice shall be given to the Licensor prior to any assignment of sublicense in such circumstances.

14. Change of Law: This License, the actions or obligation of the parties are subject to all present and future laws, by-laws, regulations, rules, orders, decisions and guidelines of any duly constituted authorities having jurisdiction with respect to the subject matter of this License, whether Provincial, Federal or the CRTC. Notwithstanding anything contained in this License in no event shall this License be interpreted as limiting the rights of the Licensee or the Licensor, to avail itself of the provisions of the *Telecommunications Act*.

15. Severability: Should any provision of this License be illegal, unenforceable, or inconsistent with paragraph 15, that provision shall be considered separate and severable from the remaining provisions of this License and the remaining provisions shall remain in force and be binding upon the parties.

16.
