Notes:

¹ In 2007, Q3 and YTD Net income adjusted to exclude (\$7.2M) and \$168.1M, respectively, for non-cash recoveries or expenses associated with cash settlement of options.

² In 2007, Q3 and YTD EPS adjusted to exclude approximately (\$0.01) and \$0.31, respectively, for non-cash recoveries or expenses associated with net-cash settlement of options. This is consistent with the definition used in setting TELUS' earnings per share 2007 targets and revised guidance.

³ For quarterly figures, Return on common equity is common share and non-voting share 12-month trailing income over the average quarterly equity for the 12-month period.

³ For annual figures, Return on common equity is common share and non-voting share income over the average equity for the 12-month period.

⁴ EBITDA interest coverage is defined as EBITDA (excluding restructuring), divided by Financing costs before gains on redemption and repayment of debt, calculated on a 12-month trailing basis. This measure is substantially the same as the Coverage Ratio covenant in TELUS' new credit facilities.

⁵ Free cash flow is calculated as EBITDA, adding restructuring costs, cash interest received and excess of share compensation expense over share compensation payments, less cash interest paid, cash taxes, capital expenditures, cash restructuring payments, and cash payments related to Other expenses such as charitable donations and securitization fees.

⁶ Net debt is defined as Long-term Debt plus current maturities of Long-term Debt and cheques outstanding less Cash and temporary investments plus cross currency foreign exchange hedge liability (less cross currency foreign exchange hedge asset) related to U.S. dollar notes. The definition was changed in 2006 to include securitized accounts receivable, which is closer to methods used by credit rating agencies.

⁷ Net debt to EBITDA is defined as Net debt as at the end of the period divided by the 12-month trailing EBITDA (excluding restructuring). This measure is substantially the same as the Leverage Ratio covenant in TELUS' credit facilities.

⁸ Basic weighted average shares outstanding in the period.
