INDUSTRY ADVISORY

Terminal-to-Network Interface Disclosure -- Category (a)

September 27, 2001
No. TIA-2001-03
Subject: TELUS Call Detail Reporting Service
Issue update to TELUS Interface Document TID-04

TELUS announces an issue update to existing interface document TID-04 (TELUS Toll Free Call Detail Service).

The service 'TELUS Toll Free Call Detail Service' previously provided under the auspices of Stentor, will be introduced within TELUS, under the name 'TELUS Call Detail Reporting Service'.

Compatibility Impact:
There is no impact to existing terminals connected to our network.

Documentation:
The interface specification is described in TELUS Interface Document TID-04. The document can be downloaded from http://www.telus.com/disclosure.

Disclaimer

TCI reserves the right to modify the interface described in this Advisory for any reason including, but not limited to, ensuring that it conforms with standards promulgated by various agencies from time to time, utilization of advances in the state of the technical arts, or the reflection of changes in the design of any equipment, techniques or procedures described or referred to herein.

TCI shall not be liable for any damage or injuries incurred by any legal person or persons, including but not limited to corporations, arising directly or indirectly from a design incompatibility with the network, or any cause whatsoever.

This Advisory describes telecommunications services in generic terms only. This Advisory shall not be interpreted as a commitment by TCI to offer a specific service, nor as a description of specific service offerings. TCI offers services only on the basis of publicly filed tariff descriptions. These tariffs provide the only description of services offered by TCI.
