ITEM 701.1 **Service Description**

This service provides two (2), 10 Gbps Wavelength Services in British Columbia between the TELUS 555 West Hastings central office (“CO”) in Vancouver to Gibsons, two (2), 10 Gbps Wavelength Accesses from TELUS Gibsons CO to Gibsons customer location, and two (2) Accesses from TELUS 555 West Hastings CO to TELUS Mutual CO.

ITEM 701.2 **Conditions of Service**

1. This service shall be provided in accordance with the terms and conditions in the Company’s Tariffs, including the General Terms of Service (Tariff CRTC 21461, Items 101-124, as applicable), this tariff and the associated Item 701 Special Assembly Agreement (the Item 701 Agreement). In the event of any conflict or inconsistency between this tariff and the provisions of any written or unwritten agreement or arrangement with the Customer relating to this service, the Company’s Tariffs shall govern.
2. Initial Service Period: Five (5) years.
3. If the Customer terminates all or part of the service prior to expiration of the Initial Service Period specified in Item 701.2.2 above, the Customer shall pay to the Company one half of the charges remaining for the unexpired or remaining part of the Minimum Contract Period.
4. The Company is not responsible for performance of, or in default of, any obligation or provision of this service and the associated Item 701 Agreement where delayed, hindered or prevented by labour disruptions, failure of the networks of other companies, casualties, civil disturbances, legislation, regulation, judicial order, acts of civil or military authorities, accidents, fires, natural disasters or other catastrophes or events beyond the Company’s reasonable control.
5. The Customer shall not be entitled to:
 - a. replace the service with any other Company service(s); or
 - b. move the service to any other location, during the Initial Service Period.

Any move of a channel provided pursuant to this tariff may only be implemented by the cancellation or termination by the Customer of the applicable channel and service and the installation of a new channel and service under a separate agreement.
