695.2 Conditions of Service – continued

5. The Customer may terminate some or all of the Item 695 service at any time by giving at least thirty (30) days advance written notice to the Company, and provided that it pays the required termination charges.

10 Gbps Wavelength Intra-exchange Channels – Vancouver (Mutual – Trinity) –

- 6. The termination charge payable by the Customer for terminating the Item 695 service prior to the end of the Minimum Contract Period are equal to one half (1/2) of the charges remaining for the unexpired or remaining part of the Minimum Contract Period. Termination charges may be waived as provided for in Item 695.2.9 below.
- 7. During the Minimum Contract Period, the Customer may obtain additional Item 695 service by signing an additional service schedule to the Item 695 Agreement (the "Service Schedule") prepared by the Company. The Minimum Contract Period for the additional Item 695 service will be specified in the additional Service Schedule, and will begin on the date the additional Item 695 service has been installed by the Company (or the date of approval by the CRTC, whichever is later, if the service added requires additional approval from the CRTC in the form of either a new tariff item or proposed amendment to Item 695).
- 8. To relocate the Item 695 service from a service address specified in an approved Service Schedule (the "existing Service Address") to a new service address, other than to a location within the same building at an existing Service Address, the Customer must:
  - a. terminate the Item 695 service at the existing Service Address, and obtain new service at the new service address by signing an additional Service Schedule prepared by the Company; or
  - b. by signing a new agreement with the Company for services at the new service address.
