

SUPPLEMENTAL SERVICES

Item				NC
136	ANSWER SUPERVISION (AS)			
	A. DESCRIPTION OF SERVICE			
	Answer Supervision (AS) provides a signal from the central office to the customer's premises, on both local and long distance direct dialed (1+) calls, which indicates that the called party has answered. AS is available to business customers with multi-lines, individual line, Foreign Central Office, Foreign Exchange and off-premises extension service.			
	B. RATES			
	The monthly rate specified below applies in addition to the monthly basic exchange rates and associated service charges			
		Rate Per	Service	
		<u>Month</u>	<u>Charge</u>	
		(Note 1)		
	Each Multi-line			
	Individual Line, FCO, FX or OPX	\$5.00	Item 110 (Note 2)	
	Notes: 1.	Not applicable to Business Measured Service or to services provided from older technology switches (e.g. step-by-step) where AS is automatically provided as part of the basic exchange service.		
	2.	A \$506.00 charge also applies to each new FCO, FX and OPX line equipped with AS.		
	C. CONDITION			
	AS is provided subject to the availability of suitable facilities.			

See Page 41 for explanation of symbols.
