# Caution regarding forward-looking statements

Today's discussion may contain forward-looking statements, including statements relating to our objectives and our strategies to achieve those objectives, our 2024 targets, our expectations regarding trends in the telecommunications industry (including demand for data and ongoing subscriber base growth), and our financing plans (including our multi-year dividend growth program). Forward-looking statements are typically identified by the words *assumption, goal, guidance, objective, outlook, strategy, target* and other similar expressions, or future or conditional verbs such as *aim, anticipate, believe, could, expect, intend, may, plan, predict, seek, should, strive* and *will*. Our 2024 targets and outlook are presented for the purpose of assisting our investors and others in understanding certain key elements of our expected 2024 financial results as well as our objectives, strategic priorities and business outlook. Such information may not be appropriate for other purposes.

Forward-looking statements are subject to inherent risks and uncertainties and are based on assumptions, including assumptions about future economic conditions and courses of action. These assumptions may ultimately prove to have been inaccurate and, as a result, our actual results or other events may differ materially from expectations expressed today.

These risks and assumptions underlying our forward-looking statements are described in additional detail in *Section 9 General trends, outlook and assumptions, and regulatory developments and proceedings* and *Section 10 Risks and risk management* in our 2023 annual management's discussion and analysis (MD&A), and in other TELUS public disclosure documents and filings with securities commissions in Canada (on SEDAR+ at [sedarplus.ca](https://www.sedarplus.ca)) and in the United States (on EDGAR at [sec.gov](https://www.sec.gov)).

Except as required by law, TELUS disclaims any intention or obligation to update or revise forward-looking statements, whether written or oral.

Let's make the  
future friendly,  
together.
