

2024 IMPACT REPORT SUMMARY

A friendlier future begins with youth.

Creating a friendlier future, today

In 2024, we invested nearly \$11 million to empower youth from underserved communities, driving positive health and education outcomes from coast to coast. We provided critical funding for more than 550 transformative charitable projects and awarded more than 500 TELUS Student Bursaries, empowering young changemakers to pursue post-secondary education while strengthening our communities.
