2.1 **License** The Owner grants to the Licensee a non-exclusive license to:

- (a) install, operate, maintain, repair and replace the Communications Equipment in the Equipment Room, at the Licensee's sole expense and risk;
- (b) install, operate, maintain, repair and replace the Connecting Equipment in the Building, at the Licensee's sole expense and risk, together with the right to pull the Connecting Equipment through the Entrance Link and through the Building Risers as necessary to reach from the Entrance Link to the Equipment Room and from the Equipment Room to the Licensee's customers in the Building, as required by the Licensee from time to time to provide communications services to the Licensee's customers in the Building; and

2.2 **Equipment Room** The Owner shall provide access to the Common Telephone Equipment Room to the Licensee, for use of the Licensee, which Equipment Room shall be used by the Licensee for the provision of communications services to the Licensee's customers in the Building.

~~2.3 **Sublicense** Notwithstanding section 13.4 of this Agreement, and subject to the prior written consent of the Owner, which consent shall not be unreasonably withheld or unduly delayed, the Licensee shall have the right to sublicense a portion of the Equipment Room to a third party for the purpose of permitting such third party to provide communications services to its customers in the Building.~~

2.4 **Nature of Interest** The right granted to the Licensee under this Agreement is a license only, and shall not constitute a partnership, joint venture or lease between the parties.

2.5 **Non-Exclusivity** The License acknowledges and agrees that the license granted to the Licensee pursuant to section 2.1 of this Agreement is not exclusive to the Licensee, and that the Owner has the right to grant similar rights and privileges in respect of the Building to other parties.

### ARTICLE 3 – TERM

- 3.1 **Term** Notwithstanding the date of its execution, this Agreement shall come into effect on the Commencement Date, and, subject to the provisions of this Agreement, shall remain in effect for the Term.
- 3.2 **Option to Renew** If the Licensee pays its Rent and observes or performs all its obligations under this Agreement, duly, regularly and promptly throughout the Term, and if the Licensee delivers to the Owner written notice exercising its option to renew at least six months prior to the expiry of the Term or six months prior to the expiry of the second Renewal Term, if applicable, the Licensee will have two options to renew this Agreement each for a further term of Five (5) years on the same terms as are contained in this Agreement, except for: (i) Basic Rent, and (ii) further options to renew. Annual basic rent for the first and second Renewal Terms will be based upon fair market basic rent for equivalent space at the time of renewal, except that the annual basic rent will not be less than the Basic Rent which the Licensee was obliged to pay during the last year of the Term or the last year of the first Renewal Term, if applicable. The time for determining annual basic rent for the first and second Renewal Terms will be the four month period immediately preceding the expiry of the Term or immediately preceding the expiry of the first Renewal Term, as the case may be. If the Owner and Licensee are unable to agree on such rent at least 30 days prior to the expiry of the Term or prior to the expiry of the first Renewal Term, as the case may be, either of them may refer the determination of such annual basic rent to arbitration under the arbitration legislation of the Province where the Building is located. The arbitrator's determination will be conclusive and binding on the Owner and Licensee. The arbitration costs will be awarded in the arbitrator's discretion. Until the arbitrator has determined such annual basic rent, the Licensee will continue to pay monthly installments of basic rent in the same amount it was paying prior to the expiry of the Term or prior to the expiry of the first Renewal Term, as the case may be. Forthwith after the arbitrator's determination, the Licensee will pay to the Owner the difference, if any, between the basic rent installments which it has then paid to date and the basic rent installments pursuant to such determination.
- 3.3 **Overholding** If the Licensee remains in occupation of the Equipment Room following the expiration of the Term or a Renewal Term, such continued occupation by the Licensee shall not have the effect of renewing or extending this Agreement for any period of time, and the Licensee shall be deemed to be occupying the Equipment Room as a licensee on a month-to-month basis upon the same terms and conditions as set out in this Agreement.

### ARTICLE 4 – LICENSE FEE

- 4.1 **License Fee** The Licensee shall pay to the Owner an annual License Fee in an amount of **\$2,371.44 plus G.S.T. per annum in first and second years of the Term (the "License Fee")**. For the third, fourth and fifth years of the Term, the License Fee shall be based on market access fee for similar telecommunications service provider licenses in similar buildings in the vicinity of the Building, to be determined no later than sixty (60) days prior to completion of the second year of the Term, failing which the License Fee for years 3-5 shall be determined by a single arbitrator in accordance with the applicable arbitration legislation for the province in which the building is located as set forth in section 3.2. The access fee shall be paid in advance of the Commencement Date and thereafter annually on each anniversary date of the Commencement Date and thereafter annually on each anniversary date of the Commencement Date during the Term or any renewal thereof.

**The above License fee for each of the first two years of the term was calculated based on 2 Cents annually, per gross rentable square foot of the two buildings in question. The Licensee, at its sole cost and expense, shall install a separate metre, which shall be connected to the building energy management system, to determine the Licensee’s electricity consumption. The Owner shall use reasonable commercial efforts to notify the Licensee in advance of any planned utility outages that may interfere with the Licensee’s use.
