

APPENDIX I – DIRECTOR COMPENSATION AND SHARE OWNERSHIP

1. INTRODUCTION AND PHILOSOPHY

TELUS Corporation will compensate non-management directors through the payment of an all-inclusive flat fee, in consideration of the services provided by such directors and in recognition of their responsibilities to the Company and certain subsidiary companies, and potential liabilities associated therewith.

Compensation should be reviewed by the Corporate Governance Committee every one to two years with any changes to be recommended for approval by the Board. Generally, overall compensation should be targeted at the 50th percentile within a comparator group of companies of comparable size. Compensation should be skewed towards equity more than cash.

2. DIRECTORS' FEES

2.1 Basic compensation

Non-management directors are entitled to receive a flat fee as outlined in the table below. Such payments will be made quarterly and adjusted proportionately for appointments or resignations within any quarter. They are also entitled to receive an annual equity grant in the form of Deferred Share Units (“DSUs”) as outlined in the table below. A new director elected at a date other than an annual general meeting will receive a pro-rated equity grant during the first year on the Board. A director who leaves the Board during the year after receiving an annual equity grant shall keep that grant in its entirety.

Management directors, however, are not entitled to receive any directors' compensation or any of the other benefits for directors referred to in this Appendix.

Tier	Compensation		
	Cash (40%)	Equity (60%)	Total Retainer
Non-Management Directors, including committee service	\$104,000	\$156,000	\$260,000
Chair of Pension Committee or Corporate Governance Committee	\$114,000	\$171,000	\$285,000
Chair of Audit Committee or People, Culture and Compensation Committee	\$118,000	\$177,000	\$295,000
Chair of the Board of Directors	\$216,000	\$324,000	\$540,000

Additional meeting fees may be payable as outlined in section 2.2(b) below.

These payments are made to non-management directors for attendance at Board and committee meetings of the Company and certain subsidiary companies. Separate retainers and meeting fees will not be paid by subsidiary companies, except under special circumstances.

The DSUs granted to non-management directors will vest immediately. When a director retires from the Board, or ceases to be a director for whatever reason, including, without limitation, the death of the director, the removal of the director or the failure to elect the director to the Board, the director (or the director's legal representative) may redeem their DSUs at any time during the period that begins on the termination date and ends on November 30th of the calendar year following the termination date (the “Redemption Period”). Any or all of a director's DSUs can be redeemed by filing an election notice with the Chief Legal and Governance Officer (the “Election”) specifying the date of valuation for redemption (the “Valuation Date”) as well as the number of DSUs to be redeemed, provided that the Valuation Date cannot be earlier than the date of the

APPENDIX I – DIRECTOR COMPENSATION AND SHARE OWNERSHIP

Election or later than the last day of the Redemption Period. Payment for any such redeemed DSUs will be made within 31 days of the Valuation Date (and will not be any later than December 31 of the calendar year after termination). If a director has not made an Election by the last day of the Redemption Period, then such director will be deemed to have filed an Election with respect to any DSUs remaining in their account with a Valuation Date that is the last day of the Redemption Period. If a director changes their mind regarding an Election, the director may file a revocation so long as it is filed with the Chief Legal and Governance Officer at least five (5) days prior to the Valuation Date. The above procedures generally apply for directors who are U.S. taxpayers, except that the Redemption Period will end on December 15 of the calendar year during which the termination date falls and as otherwise provided in the Directors Deferred Share Unit Plan (“Directors’ Plan”). Directors should refer to the Directors’ Plan for further details.

Directors of the Board will not receive options.

2.2 Additional Fees

- a) A director whose principal residence is located such that the director must travel in excess of six hours (return) from their principal residence to attend a meeting of the Board or a committee of the Board will receive an amount of \$1500 cash in recognition of time lost due to travel. This fee will not apply to directors traveling from holiday or business locations for regularly scheduled meetings, but directors who would otherwise have traveled more than six hours (return) from their principal residence to a meeting will not lose such fee if they actually traveled more than six hours (return) to that meeting but from a location that is not their principal residence.
- b) If the directors are required to attend:
 - i. more than ten Board meetings in a calendar year, or
 - ii. more than ten Audit Committee meetings in a calendar year, or, for committees other than the Audit Committee, more than nine committee meetings in a calendar year,non-management directors will be paid an additional fee of \$1,500 cash for each such additional Board or committee meeting attended.
- c) Additional meeting fees may be paid for service on a special committee as determined by the Board.

2.3 Method of Compensation

- a) Subject to section 3.5 below, under the Directors’ Plan, non-management directors may, at their option, receive the cash component of their compensation, including the additional fees referred to in section 2.2 above, in the form of cash, shares or DSUs or any combination thereof.
- b) The director will provide to the Chief Legal and Governance Officer a notice upon request, which indicates the appropriate percentage of such directors’ fees to be paid in cash, shares or DSUs. Payments in cash or shares will be net of appropriate withholdings.

Subject to applicable laws and the charter documents of the Company, the Company will indemnify all directors for claims, legal costs or losses sustained as a result of actions against the directors in respect of their activities as directors of the Company or its subsidiaries. The indemnification will extend to former directors for actions carried out during a former director's term of office. In support of the indemnification, the Company will acquire sufficient liability insurance as determined by the Company. As well, the Company will enter into indemnity agreements with each director, which set out in further detail the extent of such indemnification.
