

TARIFF FOR INTERCONNECTION WITH THE
EQUIPMENT AND FACILITIES OF TELESAT CANADA

This Tariff together with other Tariffs of the Company referred to herein which supplement it and are governed by it where stated, specifies the terms and conditions, rates, rentals and charges applicable for the circuit interconnection of Company-provided equipment and facilities with those owned and/or leased by Telesat Canada.

Note: Effective October 1, 2017, TELUS Communications Company ("TCC") assets were legally transferred N
to TELUS Communications Inc. ("TCI") and TCC ceased to exist. Accordingly, all references in this |
tariff to "TELUS Communications Company" or "TCC", "BC TEL", "TELUS Communications (B.C.) Inc. or |
"TCBC" shall be read as referring to "TELUS Communications Inc." or "TCI" or the "Company". |
