- (c) Nothing in this Agreement shall prohibit or otherwise restrict the Landlord and its representatives from having access to and to enter upon and into the Equipment Room or any Deemed Area for the purpose of inspections, conducting maintenance, repairs and alterations which the Landlord wishes to make in connection with the Building, or to perform any acts related to the safety, protection, preservation, or improvement of the Equipment Room, Deemed Area, or the Building or for such other purposes as the Landlord considers necessary. The Landlord will, however, except in case of an emergency, give the Tenant at least twenty-four (24) hours advance notice before entry into the Deemed Area and will be accompanied by a representative of the Tenant if the Tenant makes a representative available for that purpose within forty-eight (48) hours of the Tenant's receipt of the Landlord's notice.
- (d) Notwithstanding anything to the contrary, the Tenant shall, and shall direct or instruct its employees, contractors, agents and other representatives to cease all construction or other works on, or in the vicinity of the Building between November 15th and January 15th of each year (the "Winter Period") so as not to disturb, disrupt, inconvenience or hinder the Landlord, its tenants, employees, customers or other occupants while at the Building, in any way during the Winter Period. For greater certainty, construction or other work carried out during the Winter Period by the Tenant exclusively within the Equipment Room and/or Deemed Area shall be permitted so long

the Landlord, its tenants, employees, customers and other occupants are not disturbed, disrupted, hindered, or inconvenienced by said work.

10. INSURANCE

- (a) The Tenant shall maintain in force, at its expense, during the Term of this Agreement and any Renewal Term, a policy of Commercial General Liability Insurance issued by an insurer acceptable to the Landlord, acting reasonably, insuring the Tenant and, as additional insureds, the Landlord, the Owner(s), any property manager or any lender that holds security on the Building that the Landlord may reasonably designate by written notice, only in respect of matters related to the operations of the Tenant in the Building, with a combined single limit of Ten Million Dollars (\$10,000,000.00) per occurrence for bodily injury or death or physical damage to tangible property including loss of use, physical damage to the Building and tangible property of the Landlord in the Building or bodily injury or death of the Landlord's employees, or bodily injury or death or physical damage to tangible property suffered by any of the customers of the Tenant and their employees in the Building. The Tenant's liability insurance may be composed of any combination of a primary policy and an excess liability or "umbrella" insurance policies, will contain owners' and contractors' protective coverage, standard non-owned automobile coverage, contingent employer's liability insurance, a cross liability and severability of interests clause, and be written on an occurrence basis.
- (b) The Tenant will also maintain (i) an automobile liability insurance policy, and (ii) all risk property insurance (including flooding and earthquake) and broad comprehensive boiler and machinery insurance on the Tenant's Equipment with a sufficient insured limit to cover its replacement cost and with a waiver of subrogation against the Landlord from the property insurers or, alternatively, the Tenant may self insure for the full replacement cost of the Tenant's Equipment.
- (c) The Tenant's Commercial General Liability insurance shall be primary insurance insofar as the Landlord and the Tenant are concerned, with any other insurance maintained by the Landlord being excess and non-contributing with the insurance of the Tenant required hereunder with respect to the extent of the negligence of Tenant and those over whom it is responsible in law.
- (d) The Tenant shall provide proof of such insurance to the Landlord prior to commencement of any construction and notify the Landlord, in writing, that a policy is cancelled or materially changed to the detriment of the Landlord at least thirty (30) days prior to such

cancellation or material change. Annually, on the anniversary of the Commencement Date, or upon renewal of the respective policies as the case may be, the Tenant shall provide proof of such insurance in the form of insurance certificates signed by the Tenant's insurance brokers or its insurers' authorized representatives and in form, content, and detail consistent with the standard developed by ACORD (Association of Cooperative Operations, Research and Development) to the Landlord, acting reasonably.

- (e) the inadequacy of any utility service, or the loss of or the failure to provide any utility service save and except for the failure of the Landlord to provide reasonable prior written notice in accordance with Section 6. The Tenant acknowledges that interruptions in the supply of any services, systems or utilities are not uncommon in office buildings and the Tenant further acknowledges that any sensitive Equipment in and on the Building will be protected by the Tenant from any failure in supply or interruptions through the use of a UPS system, surge protectors and other appropriate safety systems; or
- (f) any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to or loss of or use of property referred to in paragraph (a), or damage to property in respect of which the Tenant maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Tenant self

insures, it being acknowledged that the Landlord, in requiring the Tenant to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Landlord.

This release extends to any acts or omissions of the Landlord but not to any grossly negligent or wrongful wilful acts or omissions of the Landlord.

12. RELEASE BY LANDLORD

The Landlord releases the Tenant in respect of any damage, loss, cost or expense (whether below deductibles or not) which arises from damage to Landlord's property in respect of which the Landlord maintains property insurance coverage or is required to maintain property insurance in accordance with the terms of this Agreement, whether the property insurance is provided by a third party insurer or the Landlord self-insures, it being acknowledged that the Tenant, in requiring the Landlord to maintain property insurance or to self-insure, as provided above, does so with the intent that losses, regardless of how caused, are intended to be covered by that property insurance or self-insurance without any subrogation, claim or other claim associated with the loss or damage being brought against the Tenant.

13. HYPOTHECS

Tenant will pay before delinquency all costs for work done or caused to be done by Tenant in the Building which could result in any hypothec or encumbrance on Landlord's interest or Tenant's interest or both in the Lands or the Building or any part thereof, will keep the title to the Lands and the Building and every part thereof free and clear of any hypothec or encumbrance in respect of such work and will indemnify and hold harmless Landlord against any claim, loss, cost, demand and legal or other expense, whether in respect of any hypothec or otherwise, arising out of the supply of material, services or labor for such work. Tenant will immediately notify Landlord of any such hypothec or claim in relation thereto or other action of which it has or reasonably should have knowledge and which affects the title to the Lands and the Building or any part thereof, and will cause the same to be removed within five (5) days (or such additional time as Landlord may consent to in writing), failing which Landlord may take action as Landlord deems necessary to remove the same and the entire cost thereof will be immediately due and payable by Tenant to Landlord, including all judicial and extra-judicial fees, costs and disbursements on a substantial indemnity basis.

14. CONSEQUENTIAL DAMAGES - EXPANDED MEANINGS - AGENCY AND TRUST

- (a) Neither the Landlord nor the Tenant will be liable to the other (regardless of any other provision of this Agreement), in respect of any indirect, special, incidental or consequential damages including loss of revenue, loss of profits, loss of business opportunity or loss of use of any facilities or property, even if advised of the possibility of such damages.

- (b) Wherever a release is provided for under this Agreement in favour of the Landlord, it will be deemed to include the Released Landlord Persons. The Landlord acts as agent or trustee for the benefit of the Released Landlord Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.
- (c) Wherever a release is provided for under this Agreement in favour of the Tenant, it will be deemed to include the Released Tenant Persons. The Tenant acts as agent or trustee for the benefit of the Released Tenant Persons, and each of them, to allow them to enforce the benefit of this provision as well as the benefit of each release clause in this Agreement that is intended to benefit them.

15. ASSIGNMENT, SUBLEASING, ENCUMBERING, SHARING OF SPACE AND EQUIPMENT BY THE TENANT

- (a) The Tenant shall not assign this Agreement in whole or in part without obtaining the prior written consent of the Landlord which consent may not be unreasonably withheld. Despite what is stated above, the Tenant may assign its rights under this Agreement, on a bona fide basis, to an Affiliate without the prior written consent of the Landlord, to a purchaser of substantially all of the assets of the Tenant if: (i) the assignee executes an agreement with the Landlord to be bound by the terms of this Agreement and agrees to pay the reasonable costs of the Landlord incurred in connection with the preparation, negotiation and finalization of that agreement; (ii) the assignee agrees in the agreement referred to above, that should it cease to be an Affiliate of the Tenant, an assignment in respect of which the Landlord's consent is required as provided above will be considered to occur; and (iii) the assignee provides to the Landlord those reasonable particulars which the Landlord requires in order to satisfy itself concerning the requirements stipulated above, and provides to the Landlord reasonable advance notice to enable it to prepare, negotiate and obtain the execution of the agreement mentioned above and to satisfy itself that the requirements stipulated above are satisfied.
- (b) No assignment whether to an Affiliate or otherwise, shall release the Tenant from any liability or obligation under this Agreement, unless the Landlord provides a release in writing.
- (c) The Tenant will not sublease, co-locate, share the use of, or otherwise provide the benefit of this Agreement to any third party telecommunication provider or other communication service provider and will not mortgage or encumber its rights under this Agreement in favour of any Lender without the Landlord's consent.

- (d) Despite what is stated above, the Tenant will be permitted to assign its rights under this Agreement to a bona fide lender, as collateral security for any bona fide, secured financing of all or part of its business undertaking. However, this permission does not imply or allow the inference that the Landlord waives, or is willing to forbear from the exercise of its remedies under this Agreement, should an Event of Default occur, nor that any lender will have any greater rights than the Tenant in respect of this Agreement, including but not limited to the restrictions set out in this Section 15.

16. HAZARDOUS MATERIALS

The Tenant shall not install, bring upon, or use any Hazardous Substance into or on the Building except telecommunications equipment batteries in a manner and in quantities as necessary for the ordinary performance of Tenant's business in the Building, and provided that any such use is in compliance with all applicable laws. The Tenant shall indemnify and hold the Released Persons and any party the Landlord is responsible for at law, harmless from any claim, loss, cost, damage, or expense resulting from any breach regarding the installation or use of any Hazardous Substance brought into or on the Lands or Building by the Tenant, including any and all costs incurred in remedying such breach.

17. EVENTS OF DEFAULT - TERMINATION REMEDIES

- (a) Each of the following events shall be deemed to be an Event of Default by the Tenant under this Agreement:

 - (iv) the Tenant's becoming insolvent, or the filing, execution, or occurrence of a petition in bankruptcy or other insolvency proceeding by or against the Tenant; or an assignment for the benefit of

- creditors; or a petition or proceeding by or against the Tenant for the appointment of a trustee, receiver or liquidator of the Tenant or of any of the Tenant's property or a proceeding by any governmental authority for the dissolution or liquidation of the Tenant;
- (v) the appointment of a receiver, receiver and manager, or other representative in connection with any default by the Tenant under any loan or debt obligation;
 - (vi) the ceasing of the Tenant to carry on business in the ordinary course;
- (b) if the Tenant shall default in the observance or performance of any of the Tenant's other obligations under this Agreement and such default shall continue for more than ten (10) Business Days after written notification of such default by the Landlord to the Tenant; and
- (vii) if the Tenant, its employees, contractors, agents or other representatives performs construction or other work at, or in the vicinity of the Building during the Winter Period.

- (d) If the Landlord shall default in the observance or performance of any of the Landlord's other obligations under this Agreement and such default shall continue for more than ten (10) Business Days after written notification of such default by the Tenant to the Landlord, the Tenant may terminate this Agreement without limiting its other remedies.

18. RESTORATION OBLIGATIONS

At the expiration or earlier termination of this Agreement the Tenant shall, at the Tenant's sole cost and expense, without hypothecs or other encumbrance, remove the Tenant's Equipment, Cable, and all of the Tenant's personal property from the Building. If any property that is required to be removed is not so removed within twenty (20) Business Days after the termination, the property may be removed and disposed of by the Landlord at the Tenant's expense (and the Tenant will pay an administration fee equal to fifteen percent (15%) of the expense). As of the date of such removal, neither party shall have any claim against the other, except for claims or obligations that may have arisen or accrued prior to such termination or arise by reason of the Tenant's Equipment and other equipment or property removal, which claims or obligations shall survive such termination. The Tenant further covenants, at its sole cost and expense, to repair or refinish all damage caused by the operation or removal of the Tenant's Equipment. If the Tenant fails to repair or refinish any such damage, the Landlord may, in its sole discretion, repair or refinish such damage and the Tenant shall reimburse the Landlord of all costs and expenses incurred in such repair or refinishing and will pay to the Landlord an administration fee equal to fifteen percent (15%) of the cost. The Tenant will provide to

the Landlord upon completion of the removal of the Tenant's Equipment an engineer's report confirming completion of the removal in accordance with this Agreement.

19. LANDLORD'S ALTERATIONS

Despite anything else in this Agreement, the Landlord may, at any time, make any changes in, additions to or relocations of any part of the Building; may grant, modify or terminate easements and any other agreements pertaining to the use or maintenance of all or any part of the Building, may close all or any part of the Building to such extent as the Landlord considers necessary to prevent the accrual of any rights in them to any persons; and the Landlord may also make changes or additions to the pipes, ducts, utilities and any other building services in the Building (including areas used or occupied by the Tenant) which serve any part of the Building. No claim for compensation shall be made by the Tenant by reason of any inconvenience, nuisance or discomfort arising from work done by the Landlord but the work will be done as expeditiously as is reasonably possible.

20. NOTICES

- i. Any demand, notice or other communication to be made or given in connection with this Agreement shall be in writing and shall be deemed received by the recipient on the date of delivery, provided that delivery is made before 5:00 p.m. on a Business Day, failing which receipt shall be deemed to have occurred the next following Business Day. 22. TENANT'S EQUIPMENT TO REMAIN PERSONAL PROPERTY

Except as otherwise provided in this Agreement, the Tenant's Equipment and Cable shall remain personal property of the Tenant although it may be affixed or attached to the Building, and shall, during the Term of this Agreement, or any Renewal Term, and upon the expiration of this Agreement belong to and be removed by the Tenant.

23. RIGHT TO LEASE ONLY

This Agreement creates a non-exclusive right to lease only and the Tenant acknowledges that the Tenant does not and shall not claim any interest or estate of any kind or extent whatsoever in the Building, Communications Spaces, or Equipment Room by virtue of this Agreement or the Tenant's use of the Building, Communications Spaces or Equipment Room. The Tenant waives any right which it may have or enjoy at any time pursuant to Articles 1859, 1861, 1863 and 1867 of the Civil Code of Quebec, or any replacement legislation.

24. LIMITATION OF LIABILITY

The obligations of the Landlord under this Agreement shall no longer be binding upon the Landlord if the Landlord or Owner(s) sells, assigns or otherwise transfers its interest in the Building as owner or lessor (or upon any subsequent landlord or owner after the sale, assignment or transfer by such subsequent landlord). If there is such a sale, assignment or transfer, the Landlord's obligations shall be binding upon the grantee, assignee or other transferee of the interest, and any such grantee, assignee or transferee, by accepting such interest, shall be deemed to have assumed those obligations. A lease of the entire Building shall be deemed a transfer within the meaning of this Section. For greater clarity, nothing in this Section releases the Landlord from any liability(ies) that may arise prior to the date of such sale, assignment or transfer herein.

25. SPECIFIC TERMINATION RIGHTS

In addition to the other termination rights provided to it in this Agreement, either party may elect to terminate this Agreement in each of the following circumstances, subject to giving at least thirty (30) days' prior written notice to the other party:

- (e) the Tenant is unable to secure, on terms and conditions reasonably satisfactory to it, all necessary consents, approvals, permits and authorizations of any federal, municipal or other governmental authority having jurisdiction over the provisioning of Tenant Services or any other matters required by the Tenant to provide Tenant Services.
- (f) the Building is no longer a "Multi-Dwelling Unit Building" as defined by the CRTC.

26. ESTOPPEL CERTIFICATES

The Tenant will provide to the Landlord from time to time, within ten (10) Business Days of the Landlord's written request in each case, at no cost to the Landlord, a statement duly executed by the Tenant confirming that this Agreement is in good standing confirming, the Rent payable and the Rent actually paid to any date specified by the Landlord for the statement confirming the Commencement Date, the Term, any Renewal Term to which it claims to be entitled, and any other information that the Landlord reasonably requests pertaining to this Agreement or Building.

27. LANDLORD'S AUTHORITY

Landlord and Tenant acknowledge and agree that Jones Lang LaSalle Real Estate Services, Inc. ("JLL") has signed this agreement/document, and as such, is acting in its capacity as agent to Landlord, and not in its personal or any other capacity. Landlord expressly acknowledges and agrees that JLL has full authority to sign this agreement/document on its behalf as its agent. JLL shall not be found liable for any claims, demands, liabilities, damages or disputes (a "Claim") in relation solely to its signature of this agreement/document in its capacity as agent. Tenant hereby agrees to indemnify, defend and hold harmless JLL from and against any and all Claims brought against JLL by a contractor/subcontractor/supplier of Tenant in relation to this agreement/document. The foregoing provisions shall not in any way be construed as limiting or amending the provisions relating to limitation of liability and indemnification under that certain agreement between JLL and Ivanhoe Cambridge Inc. dated August 23, 2021.

28. SEVERAL OBLIGATIONS - NON-RECOURSE

The liability of each of the Owner(s) where there are more than one, is several and not joint, or joint and several and is limited to the interest of the Owner(s) from time to time in the Building.

29. ENTIRE AGREEMENT

The terms and conditions contained in this Agreement supersede all prior oral or written understandings between the parties and constitute the entire agreement between them concerning the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by authorized representatives of the parties.

30. STANDARDIZED AGREEMENT

The Tenant acknowledges that the Landlord is currently in the process of completing a standardized template agreement in relation to its telecommunication service agreements between the Landlord and telecommunication service providers. In the event the Landlord finalizes said standardized template during the Term or Renewal Period of this Agreement, the Tenant and the Landlord agree to negotiate in good faith to replace this Agreement with a standardized template agreement, agreed upon by both parties acting reasonably. For clarity, this Agreement will remain in full force and effect, subject to the terms herein, during the period in which the Tenant and the Landlord are negotiating a new standardized template agreement.

31. TENANT'S REPRESENTATION

The Tenant represents to the Landlord and acknowledges that the Landlord relies upon this representation and would not have entered into this Agreement but for that representation, that, the construction, design and operation of the Tenant's Equipment includes back-up, redundant and "fail safe" features so that the risk of damage, malfunction or disruption of the Tenant's Equipment disrupting service to customers or other third parties utilizing that network and equipment (except for telecommunication services between (i) the customers of the Tenant or the customers of telecommunication service providers that lease local loops from the Tenant to serve customers within the Building and (ii) persons communicating with those customers) is minimized.

32. FORCE MAJEURE

Without limiting or restricting the applicability of the law governing frustration of contracts, in the event either party fails to meet any of its obligations under this Agreement within the time prescribed, and such failure shall be caused, or materially contributed to, by force majeure, such failure shall be deemed not to be a breach of the obligations of such party under this Agreement, and the time for the performance of such obligation shall be extended accordingly as may be appropriate under the circumstances. For the purpose of this Agreement, Force Majeure means, if during the Term either party to this Lease will be unable to perform any of the terms, obligations, or conditions contained in this Lease due to strikes, walkouts (except for strikes or walkouts directly involving employees of

Tenant), civil commotion, warlike operations, governmental regulations or controls, acts of God, pandemics, inability to procure materials or services, otherwise beyond the reasonable control of such party. Notwithstanding anything contained in this Lease to the contrary, nothing in this Force Majeure provision will relieve Tenant from payment of Rent as required in this Lease and insolvency or lack of funds will not relieve any party to this Lease from fulfillment of any obligation arising from any part of this Lease.

33. IMPLIED WAIVERS

A waiver by the Landlord or the Tenant of any breach of the terms, covenants and conditions of this Agreement shall not be deemed to be a waiver of the term, covenant or condition or of any subsequent breach of it or any other term, covenant or condition. No term, covenant or condition of this Agreement is deemed to have been waived unless the waiver is in writing and signed by the Landlord or the Tenant, as the case may be.

34. SEVERABILITY

If any provision of this Agreement or any part of a provision is found to be illegal or unenforceable then it will be severed from the rest of this Agreement and the rest of this Agreement will be enforceable, accordingly.

35. GOVERNING LAW

This Agreement will be governed by the laws of the province in which the Building is situated.

36. REGISTRATION

This Agreement may not be registered on title to the Building.

37. CONFIDENTIALITY

Any Confidential Information (as defined below) provided by one party to the other party herein shall remain the Confidential Information of the disclosing party and no receiving party shall disclose such Confidential Information without the prior written consent of the disclosing party, or unless disclosure of such Confidential Information is compelled by judicial or regulatory process or otherwise by law or if the Confidential Information has been made public without any action by the receiving party. Notwithstanding the foregoing, the absence of any identification shall not relieve receiving party of the obligation to treat as confidential, information which would be considered confidential by a person exercising reasonable business judgment. For greater certainty, this provision shall not be construed to prevent either party from disclosing any of the terms of this Agreement to its auditors, and financial and/or legal advisors.
