This release extends to any acts or omissions of the Licensor including any acts or omissions arising from the negligence of the Licensor. Licensor will only be responsible for any grossly negligent or wrongful wilful acts or omissions of the Licensor.

The provisions of this Section shall survive termination of this Agreement. All such liens shall be removed within five (5) Business Days of notice to the Licensee to do so. The

Licensor may, at the cost of the Licensee, pay money into court to obtain removal of a lien if the Licensee fails to do so, as required, and the Licensee will pay the cost to the Licensor including the amount paid into Court plus an administration fee equal to fifteen percent (15%) of the amount.

15. ASSUMPTION OF RESPONSIBILITY AND CONTROL

The Licensor reserves its right, consistent with the applicable decisions and rulings of the CRTC, to request the Licensee to transfer responsibility and control of its In-Building Wire. Such transfer shall be at the sole discretion of the Licensee and on terms and conditions acceptable to the Licensee. If the Licensor assumes responsibility and control of in-building wire installed by the Licensee, it will be entitled to recover the reasonable costs of its maintenance and management to the extent not prohibited by the CRTC.

16. ASSIGNMENT, SUBLICENSING, ENCUMBERING, SHARING OF SPACE AND EQUIPMENT BY THE LICENSEE

- (a) The Licensee shall not assign this Agreement in whole or in part without obtaining the prior written consent of the Licensor which consent may not be unreasonably withheld. Despite what is stated above, the Licensee may assign its rights under this Agreement, on a bona fide basis, to an Affiliate without the prior written consent of the Licensor, to a purchaser of substantially all of the assets of the Licensee if: (i) the assignee executes an agreement with the Licensor to be bound by the terms of this Agreement and agrees to pay the reasonable costs of the Licensor incurred in connection with the preparation, negotiation and finalization of that agreement; (ii) the assignee agrees in the agreement referred to above, that should it cease to be an Affiliate of TELUS Communications Inc., an assignment in respect of which the Licensor's consent is required as provided above will be considered to occur; and (iii) the assignee provides to the Licensor those reasonable particulars which the Licensor requires in order to satisfy itself concerning the

requirements stipulated above, and provides to the Licensor reasonable advance notice to enable it to prepare, negotiate and obtain the execution of the agreement mentioned above and to satisfy itself that the requirements stipulated above are satisfied.

- (d) Despite what is stated above, the Licensee will be permitted to assign its rights under this Agreement to a bona fide lender, as collateral security for any bona fide, secured financing of all or part of its business undertaking provided that at the time of such assignment an Event of Default has not occurred and is continuing. However, this permission does not imply or allow the inference that the Licensor waives, or is willing to forbear from the exercise of, its rights and remedies under this Agreement, should an Event of Default occur, nor that any lender will have any greater rights than the Licensee in respect of this Agreement, including but not limited to the restrictions set out in this Section 16.

17. HAZARDOUS MATERIALS

The Licensee shall not install, bring upon, or use any Hazardous Substance into or on the Building except telecommunications equipment batteries in a manner and in quantities as necessary for the ordinary performance of Licensee's business in the Building, and provided that any such use is in compliance with all applicable laws. The Licensee shall indemnify and hold the Released Licensor Persons and any party the Licensor is responsible for at law, harmless from any claim, loss, cost, damage, or expense resulting from any breach regarding the installation or use of any Hazardous Substance brought into or on the Lands or Building by the Licensee, including any and all costs incurred in remedying such breach.

 - (v) the appointment of a receiver, receiver and manager, or any other representative in connection with any default by the Licensee under any loan or debt obligation;
 - (vi) the ceasing of the Licensee to carry on business in the ordinary course; and

This obligation to remove the Entrance Cable and all other items of the Licensee's Equipment shall be subject to any CRTC-mandated obligations upon the Licensee to provide services to other TSP's. If any property that is required to be removed is not so removed within twenty (20) Business Days

after the termination, the property may, at the Licensor's sole option, (i) be removed and stored by the Licensor at the Licensee's expense (and the Licensee will pay an administration fee equal to fifteen percent (15%) of the expense), or (ii) become the property of the Licensor without compensation to the Licensee. As of the date of such removal, neither party shall have any claim against the other, except for claims or obligations that may have arisen or accrued prior to such termination, or that arise hereunder by reason of the removal of the Licensee's Equipment and other equipment or property, which claims or obligations shall survive such termination. The Licensee further covenants, at its sole cost and expense, to repair or refinish all damage caused by the original placement, instalment, operation or removal of the Licensee's Equipment. If there is such a sale, assignment or transfer, the Licensor's obligations shall be binding upon the grantee, assignee or other transferee of the interest, and any such grantee, assignee or transferee, by accepting such interest, shall be deemed to have assumed those obligations. A lease of the entire Building shall be deemed a transfer within the meaning of this Section. For greater clarity, nothing in this Section releases the Licensor from any liability(ies) that may arise prior to the date of such sale, assignment or transfer herein.
