

RADIOTELEPHONE SERVICES

Item  
 250 SERVICE CHARGES

A. DESCRIPTION OF SERVICE

1. Any work arising from a customer's request for service which involves the installation, reconnection, relocation, move or change of radiotelephone service, associated miscellaneous equipment or other services and records.
2. One or more of the following elements may be charged for in order to provide the requested service:
  - (a) ORDER PROCESSING CHARGE - applies for work done in receiving, recording and processing information necessary to comply with a customer's request for radiotelephone service. An Order Processing charge is applied once for each customer's request, regardless of the number of work items required to be completed on the same order at one time.
  - (b) NUMBER VALIDATION CHARGE - applies for work involved throughout the Company's offices to provide an assignment, listing and validation of a mobile number for manual or automatic radiotelephone service. A Number Validation Charge applies to:
    - each radiotelephone listing requested to be provided network service access.
    - each customer's request that results in a change in telephone or listing number.

B. RATES

	<u>Service Charge</u>	
1. Order Processing Charge .....	\$30.00	A (Note)
2. Number Validation Charge .....	30.00	A (Note)

Note: Miscellaneous services and equipment items located elsewhere in this Tariff carrying a specific service charge or actual cost charge for labor and installation thereof, will apply in addition to the service charges as specified in this Item, if and when applicable.
