

ITEM

316 **900 Blocking**

ITEM

316.1 **Service Description**

900 Blocking provides for the blocking, on a telephone line subscribed by a Company telephone service customer, to restrict callers from making outgoing calls to 900-prefixed telephone numbers within or outside of Canada. The service, once activated, blocks access to all 900-prefixed numbers, regardless of which telephone or dial-up Internet service provider provides the 900 numbers or which business or organization provides the 900 program content.

ITEM

316.2 **Conditions of Service**

1. 900 Blocking is provided at no monthly charge, at the Customer's request, on individual lines and trunk lines where technically possible. There is no service charge for Customers for the initial request of 900 Blocking; a service charge as specified in Item 316.3 below applies for each subsequent request to add or delete 900 Blocking.*
