

TOYOTA 86 / SCION FR-S / SUBARU BRZ CUSCO SPORTS INTERIOR UPGRADE

SPORTS STEERING WHEEL

350mm factory steering wheel wrapped in your choice of high quality Suede, Leather, or Carbon Fiber. Upgrade and enhance the sport feel of your steering wheel without sacrificing the airbag. (*airbag not included)

Suede (965 763 AS) MSRP \$654.00
Leather (965 763 A) MSRP \$656.00
Carbon Fiber (965 763 AC) \$787.00

SPORTS SHIFT KNOB

44mm OD shift knob made to fit the palm of your hand perfectly with FR-S shift pattern, Duracon material. The height of this shift knob is made exclusive for this application to enable factory feel when engaging the reverse ring.

Sports Shift Knob (965 769 BA) MSRP \$51.00

SPIN TURN KNOB

CUSCO Spin Turn Knob replaces the factory parking brake button to prevent the brake lever from locking up when pulled while still retaining full normal use of the factory brake system. This enables the use of the E-brake for quick turning maneuvers seen in such motorsports as Rally and Drifting.

Silver (692 014 AA) MSRP \$27.00
Blue (692 014 AL) MSRP \$27.00
Red (692 014 AR) MSRP \$27.00
