People

are at the core of everything we do

From the work we do to the way we treat each other, our clients, and their consumers — at Apply Digital, it's all about people.

If you take one thing from this document, that should be it.

"We don't consider you guys a vendor, we consider you a partner."

VP, Global Entertainment Company

"They bring a real understanding of the customer to how they grow and adapt our digital product."

"Building businesses is part of their history and DNA. They have an ownership mentality."

What our clients have to say about us

"They know how to validate and sharpen our opportunity for pitches and fundraising." "They bring an expert POV and bring data that validates it."

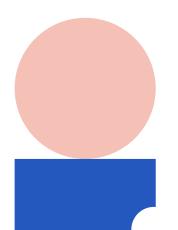

"Good software expertise too tough to find, hire, manage."

"You seem to be the only agency partner everyone is happy working with."

VP, Leading Life Sciences Company
