GUEST INFORMATION

Welcome to NRMA Merimbula Beach Holiday Resort

We're on-hand to help if you need anything – just pop into reception. Otherwise, keep this map handy so you know what's around, along with our park rules so that everyone stays safe and has a great time.

ARRIVAL/DEPARTURE: Check in is available from 2pm for cabins, 12pm for ensuite sites and 11am for sites on the day of your scheduled arrival, unless you've made prior arrangements with us. All rooms/sites need to be vacated by 10 am on the day of your departure. If you'd like to check out before reception opens or extend your stay, please come see us at reception and we'll be happy to help.

AMENITIES: Amenities blocks are located throughout the property. Please see the map provided for locations. Children under 12 years of age must be accompanied by an adult and supervised at all times. Please consider others when using these facilities and leave them in a neat and tidy condition. Facilities are cleaned daily.

BBQ AREAS: Guest BBQ areas are available throughout the property for your enjoyment and are marked on the park map. Please remember to leave the area clean after use and please note that open fires are prohibited for fire safety reasons.

BICYCLES/SCOOTERS/ROLLERBLADES/GO-KARTS: Please only use these during daylight hours and observe all road rules, including wearing helmets and necessary protective gear. Children must be supervised at all times. Please note: Electric scooters and electric skateboards are not permitted at any time.

CAMP KITCHEN: Camp kitchens are available for use by all guests. Please consider others when using these facilities and clean the area after use. Please ensure all items placed in the fridge are clearly labelled with your name and the date. Alcohol and bait must not be stored in the fridge.

CCTV: Please be aware that surveillance cameras are used within the property.

DUMP POINTS: Dump points are available for the use of guests. You can find the location of this on the map.

FIRES: Open flames or coal BBQs are not allowed in the resort. Ozpig-style stoves are also not permitted.

EMERGENCY ASSEMBLY POINT: To ensure the safety of all guests, we ask that you familiarise yourself with our emergency assembly area, which you can see marked on the map. In the case of an emergency, please stay calm and follow the instructions from staff members.

E-SCOOTERS/E-SKATEBOARDS: Due to the risk of injury and/or property damage, the riding of e-scooters and e-skateboards is not permitted within the park boundaries.

GENERATORS: The use of generators is not permitted.

JUMPING PILLOWS AND SWIMMING POOLS: Please note that children under 12 years must be accompanied by an adult at all times in our recreational areas. Babies and toddlers must wear swim nappies in the pool area. The use of bouncing pillows can result in serious personal injury or death, so it is important that you follow the rules displayed at the entry gate so everyone can have fun safely.

LAUNDRY: Laundry blocks are provided at all amenities blocks for guest use. Please see the map provided for locations. Machines are coin-operated and change is available from reception during opening hours. Washing powder is also available at a small charge from Reception. Clotheslines are available at some laundry facilities. You can find these on the map. Please do not wash pet bedding.

LINEN: All cabins receive a mid-stay service for bookings of 7 days or longer. Additional linen and fresh towels are available from reception. Doing your part for the environment? You're welcome to skip your mid-stay service. Simply let our reception team know.

MOTORBIKES AND QUAD-BIKES: No unlicensed motorbikes or quad-bikes may be ridden in the property or surrounding areas. Please check with the local council for designated riding areas and rules.

NOISE: Please be respectful of other guests in the park by minimising noise from TVs, music and social gatherings between the hours of 10pm and 6am.

PARKING: One car park is allocated per reservation. Should you need additional parking, please give us a call at reception prior to your arrival to check availability.

PETS: Pets are accepted on all sites. Pets must be on a lead and under control at all times and are not to be left unattended. Please make sure you clean up after your pet. Pets are not allowed in cabins.

RECEPTION: Our reception staff are happy to assist with any queries you may have about tours and activities available in the area. Come have a chat with us.

RUBBISH: All areas are to be kept clean and tidy. Rubbish needs to be tied in a plastic bag before disposing of it in the bins provided to keep the flies and ants at bay.

SECURITY: While Management do their best to ensure a safe and secure environment, we do recommend that you secure your valuable items for extra peace of mind.

SMOKING: Please note that smoking is not permitted in any accommodation, amenities or common areas.

SPEED LIMITS: All roads in the park are shared by pedestrians and vehicles. For this reason, speed limits are restricted to 10km/per hour (walking pace) at all times.

VISITORS: Please be aware that any visitors that you invite to the park must adhere to the properties condition of entry and will be the responsibility of the guest. Visitors may leave their car in the guest car park and must be offsite by 10pm.

WILDLIFE: Please don't feed any of the wildlife as human food can be detrimental to their health and behaviour.
