Something Blue Inspired Bridal Shower at Shutters on the Beach

by LAINEY DOW

photography by BRIAN TROPIANO WEDDINGS

Beachy vibes meet simple elegance in this chic bridal shower in Santa Monica. The bride and groom have celebrated every one of their wedding events by the Pacific Coast and could not have chosen a better venue for this beautiful event! "Shutters on the Beach Hotel offers the quintessential event space where the guests are only steps away from the sand and Santa Monica Pier, perfect setting for a 'Something Blue' themed Bridal Shower," says planner and designer EDE By Jacqueline. Classic glassware and pretty blue chargers from 204 events looked stunning atop the long farm table where guests were treated to a three course meal served by Shutters on the Beach. We can't help but adore the personalized chair sign adorned with a starfish for the bride-to-be. Sweet treats in shades of blue by Bottega Louie and Vanilla Bakeshop covered the dreamy dessert table, perfect for any sweet tooth. "This day was the perfect 'send off' for the bride with her closest family and friends filled with love, laughter, and everything that aspired with 'Something Blue,'" says EDE By Jacqueline.
