MEET THE ARTISTS

CLAUDIA ABENA

Claudia Abena, is a dynamic singer that adds a unique flare to every tune she performs. From jazz, to pop, to your favorite childhood classics like Somewhere over the Rainbow. Claudia has a mesmerizing soulful tone that makes her difficult to forget!

JESSICA HARPER

Sean Moran, a musician based in Los Angeles, California graduated from the USC Thornton School of Music, where he studied under renowned artists such as Patrice Rushen, Paul Jackson Jr, Sean Holt, Jae Deal, and many others. Sean's musical journey is diverse encompassing everything from keyboard playing, writing and producing original music, as well as running Ableton sessions for pop artists.

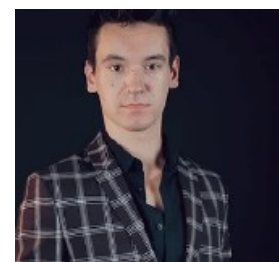

MICHAEL PAIK

Michael Paik is a Korean American guitarist, producer, singer/songwriter, and educator based out of Los Angeles, CA. Michael has a bachelor degree from the Jacobs School of Music at Indiana University with a focus in jazz guitar where he studied with recording artist Dave Stryker. Currently, Michael is working in the Los Angeles music scene providing services as a session guitarist, producer, and private lesson instructor.

WARREN PETTEY

Warren Pettey, has always lived a life through music. At just two years old his father had him study the drums, by five years old he had started piano lessons and his first electric bass and by the age of 10 he was playing gigs around town, opening for GRAMMY award nominated vocalist, Gretchen Parlato. Warren attended Berklee college and has an impressive discography consisting of playing, recording and mixing credits on major record labels such as Warner Music and PBS. He is known for his ability to perform far beyond his years as an exceptional instrumentalist and improviser.

KEVIN ANDRE WELCH

Kevin Andre Welch, a musician based in Los Angeles, California masterfully blends Jazz, R&B, soul, and pop, showcasing a passion for music that resonates in every note. His unparalleled ability to connect with the audience produces captivating performances like no other.
