Santa Monica is primarily a beach destination but did you know that there are over 120 art installations nearby, some just steps from the beach? This is a tour of discovery no art lover should miss...

We invite you to explore LA's contemporary art scene through the eyes of ETC Hotels' Fine Art Advisor Cynthia Greenwald. First, have a look at her curated selections gracing the walls of Casa del Mar and at Shutters. On display you will find artists such as Ellsworth Kelly, William Wegman and Roy Lichtenstein... Now you are ready to venture off and expand your horizons and perhaps even your personal collection. If you can use a trained eye on your tour, you may wish to give Cynthia a ring and arrange for her to join you!
