

DOLPHIN EON™ 100

LEARNS YOUR POOL. CLEANS IT ALL.

DOLPHIN EON™ 100

EON™ Line

The Pool Cleaner That Reaches Where Others Can't.

The **Dolphin EON 100** delivers powerful, intelligent cleaning for pools up to 15 metres. Designed for complete, consistent coverage, it cleans floors, walls, waterlines, steps, and tanning ledges as low as 20 cm - leaving no area untouched. With smart navigation, extended runtime, and app control via the Maytronics One™ app, the **EON 100** adapts to your pool and keeps it effortlessly clean all season long.

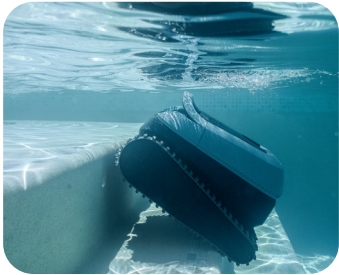

The Dolphin EON 100 Difference

Complete Pool Coverage

Cleans floors, walls, steps, and tanning ledges as shallow as 20 cm.

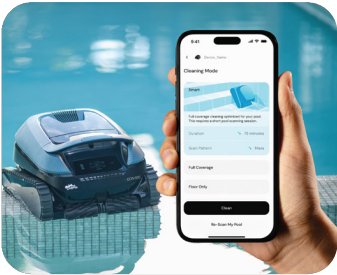

JetIQ™ Step Cleaning

Designed to maintain stability on steps for consistent, thorough cleaning.

UltraRun™ Mode

Up to 1 week of scheduled cleans on one charge.

App-Controlled Simplicity

Schedule, monitor, and troubleshoot from your phone when the robot is out of the pool.
