

2x2 PRO GYRO

Maytronics – The trusted name for commercial pool cleaners

Powerful Heavy-Duty Performance

Powerful cleaning performance with exceptional reliability. Maytronics commercial robotic pool cleaners promise, and deliver a long-term, cost-effective operation.

Professional Pool Cleaning

Advanced technologies provide comprehensive scanning of the entire pool and highly effective pool brushing and filtering throughout, for clean, safe and pure pool water.

Solution for every public pool

With proven solution for any commercial pool, from small public pools to the largest and professional pools worldwide - Maytronics is the ideal pool cleaner choice.

Service and Support

When you buy a Maytronics pool cleaner, you are also purchasing exceptional customer service and support by Maytronics product experts.

Dolphin 2x2 PRO GYRO

The trusted name for commercial pool cleaners

Put the power of two robots to work at once with this heavy-duty fully automated cleaner. The 2x2 Pro Gyro has dual brushing action, dual high-capacity ultra-fine filtration systems, and a sophisticated gyroscope. It expertly cleans the entire pool floor and walls with maximum effectiveness and efficiency. This professional cleaner is designed for pools up to 33 meters.

Dolphin's patented swivel cables eliminate tangled cables forever! As your Dolphin moves around the pool, the swivel ensures that the cable stays free and clear, allowing for complete pool coverage.

Advanced scanning software and navigation system ensure floors and walls are fully covered using the most efficient route. The Dolphin automatically navigates around obstacles and quickly returns to its cleaning pattern.

 <p>Built-in Gyroscope, ensures nimble movement and full coverage</p>	 <p>CleverClean™ scanner - Precise navigation system for maximum coverage of the pool</p>
 <p>Actively cleans and scrubs away algae and bacteria</p>	 <p>Remote control Included</p>
 <p>Public Swimming Pools</p>	 <p>Tangle free cable Keeps it safe, clean, and simple</p>
