Choosing the perfect Ecoswim® Chlorinator

Maytronics Ecoswim® chlorinator is covered by a 5 year warranty (3 years full + 2 years pro rata). Enjoy the same optional upgrades across all Ecoswim® chlorinators.

*Seek tailored advice from your pool professional for recommended pool size according to your region.

Ecoswim® Chlorinator Models	ES20	ES25	ES35
Maximum Pool Size*	60,000 L	80,000 L	100,000 L
Pump Control	Single or Variable Speed pool pump up to 8.5 amps		
Optional upgrades	Mineral Swim™ Dead Sea Minerals / Mineral Swim™ V2 Purifier Module		
Salt / mineral levels	3500 - 6500 ppm		
Cell protection	Sensor controls chlorine output in excessive water conditions to help prevent unnecessary wear and tear		
Power supply	220-240 V AC, 50-60 Hz, 10 amp		

mineralSwim™ Minerals

For health and well-being benefits, add Mineral Swim™ 100% Dead Sea Minerals.

mineralSwim™ Purifier

Add the Mineral Swim™ V2 Purifier Module to deliver power ozone purification. This will allow you to dial down chlorine production, which is safer, softer, and kinder to sensitive skin, hair, and eyes.
