Attendee Name _____

Company Name _____

Phone Number _____

E-mail Address _____

TOUR DATE: Monday, May 12, 2025

Time	Airport	Meeting Location	Address	Tour
9:30 PM	IAH	IDO Building	111 Standifer Drive, Humble TX 77338	Locations Provided on day of visit

The following conditions apply to participate on the site visit:

- 3rd Party Safety Brief (performed on the day of the tour), prior to site visit (approximately 15 Minutes).
- HRA/JSA (performed after Safety Brief), will need to be signed by all participants on the tour, approximately 10 minutes provided by Alstom.
- Any participant accessing the guideway (Maintenance Yard included) must provide a certificate of completion for the OSHA1910.30 Walking-Working Surfaces and Personal Protective Equipment (Fall Protection Systems) training before the site visit. Certificates should be submitted with this reservation form via email.
- Fall Protection equipment is required to access the Guideway. You may carry your harness and lanyard or put them in a backpack and carry them with you, it is not necessary to wear the harness during the tour.
- Per the Alstom Electronics Directive, **No Electronic Devices (including cameras)** are permitted in PPE require areas, this includes the Maintenance Bay Areas, Maintenance Yard, and any portion of the Guideway.

Also, any tour participant must have their own PPE equipment:

- Fall Protection Body Harness with attaching dual lanyard that meets OSHA 1910.140
 - (No body belts)
 - Harnesses must have proof of current inspection (typically attached to the harness or provided the time of purchase)

- Safety glasses
- Steel/Safety toe shoes/boots
- Hard hat/bump cap
- High visibility vest
- Mask that covers nose and mouth must always be worn
- A safety briefing will be conducted at the Alstom Maintenance building prior to all parties entering the guideway

To facilitate security clearance, HAS requests interested individuals to pre-register for the site visit. Please complete and email to:

jorge.ardines@houstontx.gov

- **Attendees must email this form to jorge.ardines@houstontx.gov on or before 2:30 PM, on Thursday, May 8, 2025, to participate in the site visit.**
- To access the guideway during the site visit, attendees must provide OSHA1910.30 Walking-Working Surfaces and Personal Protective Equipment (Fall Protection Systems) certifications with this registration form no later than May 8, 2025.
- No baggage or luggage storage will be provided. Attendees should only bring what can be carried on your person during the tour.
