SUBJECT: Addendum No. 6

REFERENCE: Invitation To Bid (ITB) for the IAH Runway 9-27 Grind and Groove at George Bush Intercontinental Airport (IAH); Solicitation No. H06-IAHRWY-2025-009; Project No. 1073

To: All Prospective Bidders:

This Addendum is being issued for the following reasons:

I. Revise the following pages with the attached documents outlined below:

- 1. Document 00410A and 00410B Bid form Part A and Bid Form Part B – Revised 08/21/2025

II. Respond to the following question.

- 1. **Question:** The total quantity of “RUNWAY MARKING WITH REFLECTIVE – 271,560 SF” seems like it is very high for the overall layout of markings it shows in the drawings. Does this quantity include two coats of paint? Or any markings that are not shown in the work areas?

Response: Please reference the updated bid form attached (Doc 00410A & 00410B rev. 08/21/2025). The quantity of markings shall be measured by the number of square feet of painting. Marking shall be applied per the application rate listed in the P-620 technical specification. Please note: The Runway Shoulder Markings will not be restored as part of the construction.

When issued, Addendum shall automatically become part of the solicitation documents and shall supersede any previous specification(s) and/or provision(s) in conflict with the Addendum. Addendum will be incorporated into the Agreement as applicable. It is the responsibility of the bidder(s) to ensure that it has obtained all such letter(s). By submitting a bid on this project, bidder(s) shall be deemed to have received all Addendum and to have incorporated them into their bid.
