Meeting agenda:

Exploring needs and wants for this group to become fully established in Jan of 2025.

This meeting will focus on meeting, networking, and gathering interested persons for live discussion.

This group will focus on integrating EMDR and sex therapy, providing resources, and networking/supporting with other providers.

Meet your host:

Hello I am Laura I have run this group before and am working to revive it. I am a sex therapist, EMDR clinician & approved consultant and first responder clinician. I want to create a community where people who provide EMDR and sex therapy can support one another.
