Part A: Introduction

This "User Agreement" sets forth the terms under which you may use PayPal's Xoom Service ("Xoom" or the "Service"), and your access and use of Xoom websites (for purposes of this User Agreement, "websites" includes our desktop website, our mobile websites, and our mobile applications) and the services associated with it. By signing up to this User Agreement, Xoom will set up an account through which you can use the Service and view your Transaction history and contact details (the "Xoom Account"). No funds will be held in the Xoom Account as a result of your use of the Service. You acknowledge and agree that this User Agreement is between you and the PayPal entity in your country of residence ("PayPal"). By accessing and using the Service, you are agreeing to the User Agreement.

As used throughout this User Agreement, the terms "we", "us", and "our" refer to PayPal, together with its employees, consultants, directors, successors, subsidiaries, affiliates, and assignees. The terms "you" and "your" refer to someone who sends money, makes bill payments, reloads pre-paid mobile telephone plans or otherwise makes use of the Services ("Sender").

1. CONSUMER FRAUD ALERT: PROTECT YOURSELF FROM SCAMS AND FRAUD

The Service is designed to be a secure and convenient way for Senders to send money to, pay for pre-paid mobile telephone plan reloads for, or pay bills for family members and other people that you trust. However, there are many scams and fraudsters and you should be cautious of deals or offers that seem too good to be true. We urge you not to send money or pay for pre-paid mobile telephone plan reloads, or make bill payments for anyone that you do not know personally. Take care to safeguard your password, do not send or request for others, and use Xoom for legal purposes only. Click [here](#) to learn more about sending money safely. Please let us know immediately if you believe someone is trying to scam or defraud you or if your username or password has been lost or stolen. Click [here](#) for how to contact Customer Service.

2. SECURITY

Your security and the integrity of your Xoom Account are our top priorities and we work hard to secure your information. If you are aware of anyone or any entity that is using the Service inappropriately, please e-mail us at reportfraud@xoom.com. Please be aware that Xoom will never ask for your Xoom Account password. If you receive any fake (i.e., phishing) e-mails claiming to be from Xoom, please forward them to us at reportfraud@xoom.com.

PART B: GENERAL SERVICE TERMS

1. Overview of the Service

- The Service is intended to allow Senders to send money transfers ("Send Money"), purchase pre-paid mobile telephone plan credits from third-parties ("Reload"), and make bill payments ("Bill Pay") around the world. We recommend that Senders use the Service only to send money to, reload pre-paid mobile telephone plans for, or pay bills for people you know personally, such as family and friends. You should never use the Service to send requests or money to strangers.
- Where required by law, PayPal is a licensed or authorized provider of money remittance services. All money transmission is provided to Senders by PayPal. In addition to these General Service Terms, please also refer to your country's specific provisions, which can be found between Parts C- F. If there is any conflict between the country specific terms and the General Service Terms, the country specific terms will apply.

3. A "Recipient" is an individual who receives money from a Sender through the Service. A "Third-Party Service Company" is a seller of Reloads through Xoom or a utility or other entity that receives a bill payment from a Sender through the Service. A "Beneficiary" is someone for whom a Sender reloads their pre-paid mobile telephone plan or makes a bill payment through the Service. For example, and for illustration purposes only, if you use the Service to pay your relative's electric bill, your relative is your Beneficiary and the electric company which receives the payment is the Third-Party Service Company for that Transaction. You understand that the person referred to as "Beneficiary" in this User Agreement may be referred to as the "Recipient" on your Reload or Bill Pay receipt. The "Destination" is the country or region in which the Recipient or Third-Party Service Company receives money. A "Transaction" is a specific instruction for a Send Money, Reload, or Bill Pay transaction. The "Transaction Amount" is the amount that the Sender provides to us to send the Transaction, excluding applicable fees, such as the Transaction Fee (as defined in "Payment" below) or stated Third-Party Service Company fees. The "Payout Amount" is the amount paid out to the Recipient or Third-Party Service Company, excluding any taxes or charges that may be levied under the laws of the Destination and deducted from the Payout Amount (the "Local Taxes"). The "Payout Currency" is the currency the Sender selects the Payout Amount to be in. All Transaction Fees (defined herein) related to the Service are made free and clear of, and without any deduction or withholding for and on account of, any taxes, duties or other deductions. Any such deduction or withholding, if required by the laws of any country are your sole responsibility.

2. Accessing the Service

1. **Eligible Users.** In order to access or use the Service as a Sender, you must be (i) at least eighteen (18) years old or the age of majority in your jurisdiction, with (ii) capacity to enter legally binding contracts. Please go to the relevant section for your country specific provisions, which can be found between Part C – F, for further information about age of majority. Other restrictions may apply. Only natural persons are eligible to use the Xoom service.
2. **Mobile Services.** The Service is also accessible via a mobile device. If you access the service through a mobile device, your wireless service carrier or mobile network operator's standard charges, data rates and other fees may apply.
3. **Bill Pay Beneficiary Consents.** You confirm that your Beneficiary has consented to you to accessing his or her account information (for example, the Beneficiary's utility account number) and permitted PayPal to collect and verify information about him or her.
4. **Using Xoom with PayPal Account Information.** Xoom is a different service than the PayPal service. If you use PayPal to sign up with Xoom, a Xoom Account will be created for you. Your Xoom Account will be accessible using your PayPal credentials. When you create a Xoom Account using your PayPal credentials or link your PayPal account to your Xoom Account, your PayPal Payment Methods (for example, the cards or bank accounts that you link to your PayPal account) will be treated as Xoom Payment Methods (defined in "Payment" below), and other PayPal information will be linked to your Xoom account. Any edits to Payment Methods stored in your PayPal account must be made within your PayPal account. We may, in our sole discretion, refuse Transactions funded from certain Payment Methods and you understand that it is not guaranteed that any or all of the Payment Methods you have stored in your PayPal account will be available for use when using Xoom to complete your Transaction. Xoom will provide your Transaction history on the transaction history page. To check when a transaction was debited from a Payment Method, please check the Payment Method's statement. Transactions may appear on your Payment Method statements as charged by Xoom or PayPal.
5. **Not Available to Certain Users.** The Service may not be available in whole or in part in different countries and jurisdictions as determined by local laws and regulations or if we reasonably determine that providing the Service in a particular country or jurisdiction presents an unacceptable level of risk to us, our users or our systems. You may be informed the Service is not available in your jurisdiction or the sign-up option may not be available.
6. **PayPal's Protection Programs Do Not Apply to Xoom Transactions.** Xoom Senders do not qualify under PayPal's Purchase Protection Program or PayPal's Buyer Protection Program and Xoom Recipients do not qualify under PayPal's Seller Protection Program, even when a transaction is funded with a PayPal Balance.
7. **Not Available for Certain Transactions.** We may, at any time and in our sole discretion, refuse any Transaction. This may include Transactions from certain Senders, for certain Beneficiaries or to certain Recipients or Service Companies, including without limitation, entities and individuals that are included on the Specially Designated Nationals list, Non-cooperative Countries and Territories list, United Nations Security Council Sanctions List, and such other lists as may be issued from time to time by government agencies. We may also, at any time and in our sole discretion, limit the amount to be transferred on a per Transaction basis or an aggregated basis without prior notice. Any such limits may be imposed on individual Xoom accounts or on related Xoom accounts or households. We may reject or limit Transactions based on violations of this User Agreement, local laws and regulations or if we reasonably determine processing a Transaction presents an unacceptable level of risk to us, our users or our systems.

3. Fees and Payment

1. **Transaction Fees.** For each Transaction that you submit, you agree to pay Xoom's transaction fee (the "Transaction Fee"), if applicable, plus the Transaction Amount. Any Transaction Fee will be disclosed to you prior to you authorizing a Transaction. The Transaction Fee varies by Transaction type, Destination, Payment Method, Transaction Amount, Payout Currency, and by Reload Carrier. Transaction Fees and applicable fee notices for Send Money, Reload and Bill Pay are available within the article [How Much does it Cost to Send with Xoom](#). For Send Money transactions, you can also directly go to the [Fee and Exchange Rate Calculator](#) for current Transaction Fees and foreign exchange rates.
2. **Reload Third-Party Service Company Fees.** For each Reload Transaction that you submit, you agree to pay the applicable fees disclosed to you prior to you authorizing a Transaction.
3. **Foreign Currency Exchange Rate.** We and our Service Providers (defined below) usually make money when you pay for a Transaction in one currency and the Transaction is paid out in another currency. We usually make money based on the difference between the exchange rate at which we buy foreign currency and the exchange rate provided to you. If a foreign currency exchange rate applies, it will be disclosed to you prior to you authorizing a Transaction. Reloads are priced by the Third-Party Service Company in the foreign currency of the Carrier (defined below). We will display a local currency price for those Reloads based on an exchange rate that Xoom determines. We and the Third-Party Service Company make money based on the difference between the local currency price we quote to you and the foreign currency price the Third-Party Service Company pays for foreign Reloads. Before you authorize the purchase of a foreign Reload from the Third-Party Company, we will disclose to you the Reload Price in local currency, the Reload amount in foreign currency (as applicable), and the exchange rate Xoom applies to calculate the Reload price.
4. **Local Taxes.** There may be Local Taxes in certain receive countries. Local Taxes will be disclosed to you prior to you authorizing a Transaction, to the extent required by law.
5. **Other Charges.** We are not responsible for any fees or charges that may be imposed by the financial institutions associated with your Payment Methods. For example (without limitation), your credit card issuer may charge you a cash advance fee and interest if you use a credit card as a Payment Method. We are not responsible for any such fees, nor are we responsible for non-sufficient funds charges, chargeback fees, or other similar charges that might be imposed on you by your bank, credit or debit card issuer, or other provider in connection with your use of the Service. If you submit a Transaction that results in us being charged non-sufficient fund fees, chargeback fees, or other similar fees, you agree to reimburse us for all such fees.
6. **Payment.** Payment is due at the time your Transaction is submitted for processing although we may choose not to debit your Payment Method immediately. In order for us to collect payment from you and complete your Transaction, you authorize us to access, charge, electronically transfer, or debit funds from any of the payment methods you provide us in connection with your use of the Service (each, a "Payment Method") including, for example, your credit card, debit card, bank account or PayPal Balance account balance. Not all Payment Methods are available to all customers at all times. We may, in our sole discretion, refuse Transactions funded from certain Payment Methods. You will not be able to cancel the electronic transfer once PayPal initiates the transfer from your account which may be after the Payout Amount has been received by your Recipient or Third-Party Service Company. You authorize us to re-try debiting your Payment Method or a different Payment Method one or more times if your payment fails or is insufficient. For example, if there are insufficient funds in your bank account at the time you submit your Transaction, we may try to debit your bank account or charge your credit card if you provide it as a different Payment Method at a later time. You confirm that you are the lawful owner of your Payment Method(s).

7. Pay Only When Received or "POWR." For certain Xoom Transactions, the Third-Party Service Company, your Recipient, or the Beneficiary may receive a Reload or the transferred funds before your Payment Method is debited for the Transaction Amount, the Transaction Fee, or any other applicable fees. We call this "POWR", though it may be called by different names depending on the Destination or Third-Party Service Company. If your Transaction qualifies for POWR, then your Payment Method will not be debited until the Third-Party Service Company or your Recipient receives the funds. You understand that not all Transactions are eligible for POWR, and that POWR is subject to many factors, including (without limitation) Destination, Payment Method, Transfer Amount, Transaction history and approval by our proprietary verification system. You understand that you may or may not know whether you have qualified for POWR until after you have authorized the Transaction, and a prior Transaction's qualification for POWR does not guarantee a subsequent Transaction's qualification for POWR. We reserve the right to terminate, suspend, or modify POWR at any time, and to reject any Transaction from qualification for POWR at any time, for any reason.

8. Link or Unlink a Payment Method to a Xoom account.

- You can link or unlink certain Payment Methods such as a credit card, debit card, an eligible bank account (for example, a U.S. bank account if you are a U.S. user, or a UK or EEA bank account if you are a UK or EEA user) to your Xoom account. For users in the United States, please refer to Authorization to Charge Your Payment Method in Part E.6 for additional terms regarding our authority to charge your card(s) and bank account(s) linked to your Xoom account and your right to revoke our authority to charge such Payment Methods. Please keep your Payment Method information current (e.g., credit card number and expiration date). If this information changes, we may update it using third-party sources available to us without any action on your part. If you do not want us to update your card information, you may contact your issuer to request this or you may unlink your card or bank by removing it from your Xoom account. If we update your Payment Method, we will keep any preference setting attached to such Payment Method.
- You may need to confirm your Payment Method, so we can verify that it is valid and belongs to you. To do this, you authorize us to make credits and debits to your Payment Method as follows: If your Payment Method is a U.S. bank account that you link to your Xoom account by adding your bank routing and account numbers, we may, from time to time, (i) make one or more small deposits to your provided bank account of less than \$1.00 U.S. dollar and you may need to confirm the amount(s) with us; or (ii) debit your bank account for less than the amount of the transfer (i.e., for a transfer of \$500 U.S. dollars, we may debit \$499.98 U.S. dollars from the bank account) and you may need to confirm the amount with us. Failure to confirm the amount may affect the speed with which we deliver the funds to your Recipient. If we debit your bank account for less than the full amount of the transfer, your Recipient will still receive the full transfer amount.

4. Transaction Pay Outs

1. Service Providers. We work with local banks, money exchange houses, Third-Party Service Companies, and other third-party service providers (each, a "Service Provider") to facilitate Send Money, Reload and Bill Pay Transactions. We attempt to provide up-to-date information on our websites regarding the location, availability, and hours of our Service Providers. However, you should directly confirm hours of operation and location with the Service Provider.
2. Verification. Recipients may be required to prove their identity before receiving funds by presenting authentic, valid, and current identification document(s) from a list of acceptable forms of identification. In addition, Recipients may be required to provide a Transaction number and/or another, similar identifier associated with their Transaction. You give us permission to contact your Recipient or the Third-Party Service Company and store all such data, as necessary to provide the Service.
3. Transfers to Accounts. If you choose to send a Transaction to a Recipient's account, such as a bank account or mobile wallet account, you confirm the Recipient's account is denominated in the same currency as the Transaction (e.g., if your Transaction calls for us to deposit pesos into the Recipient's account, then you confirm that the Recipient's account is denominated in pesos). If the account is not denominated in the same currency as the Transaction, your Transaction may be cancelled.

5. Restrictions

1. General. We reserve the right at any time, and from time to time, to modify or discontinue the Service (or any part thereof) with or without notice.
2. Delays or Cancellations. We may delay or cancel your Transaction, or close your Xoom Account and/or the Xoom Account of your Recipient (if they have one), at any time prior to completion without prior notice for reasons that include, but are not limited to: identity verification; validation of your Transaction instructions and Payment Methods; fraud and anti-money laundering compliance review; contacting and locating you, your Beneficiary, the Third-Party Service Company, your Sender, or your Recipient; qualification or disqualification for POWR (as defined above); and to comply with applicable law. Business hours, systems availability and currency availability of our Service Providers may also cause delays. Nevertheless, you may be entitled to a refund in certain circumstances, as described below.
3. Commercial Transactions. You agree that you will only use the Service to Send Money to people or purchase Reloads for Beneficiaries for personal reasons. If we reasonably suspect or discover you are using the Service to send Transactions from, to or on behalf of a business or other non-human entity (other than payments made to Service Providers for Beneficiaries whom you know personally), we may, in our sole discretion, cancel your Transaction(s) and close your Xoom Account and/or the Xoom Accounts of your Sender or Recipient. You acknowledge that Xoom is not liable for your use of the Service for commercial purposes, including all risks associated with the purchase of goods or payment for services of any kind, such as (but not limited to) losses you suffer for undelivered or defective goods and services you pay for using the Service.
4. Reloads. You understand our responsibility for Reload Transactions is to confirm the transfer of the Payout Amount and Third-Party Service Company fees from a Sender's account to the Third-Party Service Company, as provided in each country specific section below. The Payout Amount for a Reload is the amount of prepaid wireless services credit being purchased in the currency of the Carrier (defined below), excluding Local Taxes. The Third-Party Service Company may be a reseller of prepaid wireless services, rather than the Carrier itself. We disclose when Local Taxes and other fees may be charged by a Beneficiary's wireless carrier (the "Carrier") to a Reload Transaction, but the exact amount of the Local Taxes and fees are determined by the Destination and Carrier. You agree that you and/or your Beneficiary have read the terms and conditions applicable to the Beneficiary's mobile phone account (the "Carrier Agreement"). The Carrier Agreement applies to all services for which the Reload may be used by the Beneficiary. Terms and conditions vary by Carrier, Destination and the terms of the Carrier Agreement but may include fees and taxes charged on a Reload, the expiration of the Reload and the quality and quantity of airtime, data and other services for which the Reload may be used. You should ask your Beneficiary to contact the Carrier directly with questions or problems on how the Reload can be used for services provided by the Carrier. We are not responsible for the performance of the Third-Party Service Company or any Carrier.
5. Limitations on Frequency of Transfers. For security reasons, there may be limits on the number of Transactions you can execute using your Xoom Account.
6. Prohibited Transactions. You may not use the Service in violation of this User Agreement or applicable laws, rules or regulations. It is a violation of this User Agreement to use the Service for any of the following activities (without limitation): sexually-oriented materials or services; gambling activities; fraud; money-laundering; funding terrorist organizations; purchase or sale of tobacco, firearms, prescription drugs, or other controlled substances; or sending money to a Recipient or paying for a Reload for a Beneficiary that has violated the User Agreement. If you use the Service in connection with illegal conduct, we reserve the right to report you to the appropriate law enforcement agency or agencies. We may, in our sole discretion, cancel any Transaction and close any Xoom Account that we suspect is being utilized for any purpose prohibited by this User Agreement. You acknowledge that PayPal is not liable for your use of the Service in violation of this User Agreement.
7. Transacting on Behalf of Others. You may not request, submit or receive a Transaction on behalf of any other person, or on behalf of a charitable organization. We may, at any time and in our sole discretion, close multiple Xoom Accounts held by an individual, persons related to the individual or persons living in the same household as the individual.
8. Restricted Activities. If you use or interact with the Service, you will not:
 - Breach or violate any restrictions in this User Agreement, or any other agreement between you and PayPal;
 - Open more than one Xoom Account or otherwise attempt to circumvent Xoom's User Agreement, send or receive limits, policies or determinations about your Xoom account;

- Infringe PayPal's or any third party's copyright, patent, trademark, trade secret or other intellectual property rights, or rights of publicity or privacy;
- Provide false, inaccurate, or misleading information;
- Refuse to cooperate in an investigation or provide confirmation of your identity or any information you provide to us;
- Cooperate with any other person in an attempt to circumvent or violate these restricted activities, including by controlling a Xoom Account that is linked to another account or Payment Method that engages or has engaged in any of these restricted activities;
- Use an anonymizing proxy;
- Take any action that may cause us to lose any of the services from our Internet service providers, payment processors, disbursement partners, or other suppliers or service providers;
- Share Transaction numbers or information with anyone except the Third-Party Service Company, your Recipient, or Beneficiary, and you will advise your Sender, Recipient or Beneficiary not to share Transaction numbers or information; or
- Harass and/or threaten our employees, agents, or other users.

9. Suspension or Termination of Service. Subject to applicable law, we, in our sole discretion, reserve the right to suspend or terminate this User Agreement, access to or use of our websites, software, systems (including any networks and servers used to provide any of the Xoom services) operated by us or on our behalf, or some or all of the Xoom services for any reason and at any time with or without notice to you and, upon termination of this User Agreement, cancel any or all of your Transactions and refund the applicable Transaction Amounts to you.

6. Transactions to India

PayPal processes Transactions to India pursuant to the Rupee Drawing Arrangements ("RDA"), as established by the Reserve Bank of India. You understand that use of the Service for contributions to charitable organizations is prohibited.

7. Transactions to Japan

You acknowledge that your Xoom Transactions are not payments which require prior notification, permission or approval under the Japan Foreign Exchange and Foreign Trade Act ("FEFTA") and are not payments which are restricted under FEFTA, including but not limited to capital transactions, payments to sanctioned individuals, sanctioned countries (in particular North Korea and Iran), or in exchange for embargoed goods such as weapons and nuclear related development. You understand that your use of Xoom to send Transactions to Japan which are not compliant with the restrictions of FEFTA is prohibited.

8. E-Communication Delivery Policy

You acknowledge and agree that this User Agreement shall be entered into electronically. Unless otherwise required by applicable law, the following categories of information ("Communications") will only be provided by electronic means and not in paper format or through other non-electronic means: (i) this User Agreement and our Privacy Statement and any amendments, modifications or supplements to them; (ii) your records of Transactions through the Service (including receipts or confirmations of Transactions); (iii) descriptions or records of your use of the Service (iv) any initial, periodic or other disclosures or notices provided in connection with the Service, including those required by applicable law; (v) any customer service communications or disclosures, including without limitation communications or disclosures with respect to claims of error or unauthorized use of the Service; and (vi) any other communication, agreement or disclosure related to PayPal, Xoom, the Service, your Xoom Account or any Transaction.

You agree and consent to receive electronically all Communications that we provide.

We will provide these Communications to you by posting them on the websites and/or by emailing them to you at the primary email address listed in your Xoom Account.

In order to access and retain Communications, you must have: (i) an Internet browser that is JavaScript enabled, and supports 128-bit encryption and the acceptance of first party cookies, (ii) an e-mail account and the capability to read e-mail from Xoom, (iii) a device and Internet connection capable of supporting the foregoing and (iv) sufficient storage space to save past Communications or an installed printer to print them. We will notify you if there are any material changes to the hardware or software needed to receive electronic Communications from us. By giving your consent you are confirming that you have access to the necessary equipment and are able to receive, open, and print or download a copy of any Communications for your records. You should print or save a copy of these Communications for your records as they may not be accessible online at a later date.

If you fail to provide, or if you withdraw, your consent to receive Communications electronically, we will decline to establish a Xoom Account for you, or we will terminate, suspend or decline to provide the Service, unless you are entitled by applicable law to receive non-electronic Communications.
3. Requesting Paper Copies of Electronic Communications. If, after you consent to receive Communications electronically, you would like a paper copy of a Communication we previously sent you, you may request a copy within 180 days of the date we provided the Communication to you by contacting us as described above. We will send your paper copy to you by U.S. mail. In order for us to send you paper copies, you must have a current street address on file as your address in your Xoom Account profile.
4. Updating Your Contact Information. It is your responsibility to keep your primary email address up to date so that we can communicate with you electronically. You understand and agree that if we send you an electronic Communication but you do not receive it because your primary email address on file is incorrect, out of date, blocked by your service provider, or you are otherwise unable to receive electronic Communications, we will be deemed to have provided the Communication to you. Please note that if you use a spam filter that blocks or re-routes emails from senders not listed in your email address book or for other reasons, you must add us to your email address book so that you will be able to receive the Communications we send to you. You can update your primary email address or street address at any time by logging into the website, going to "My Account", and selecting the "Email" tab.

9. Communications Between You and Us

If you provide us your mobile phone number, you agree that we may contact you at that number using autodialed or prerecorded calls or text messages to: (i) service your Xoom Account, (ii) investigate or prevent fraud, or (iii) collect a debt. We will not use autodialed or prerecorded calls or texts to contact you for marketing purposes unless we receive your prior express written consent. We may share your mobile phone number with service providers with whom we contract to assist us with the activities listed above, but we will not share your mobile phone number with third parties for their own purposes without your consent. You do not have to agree to receive autodialed or prerecorded calls or texts to your mobile phone number in order to use and enjoy Xoom. Please click [here](#) for Customer Service to decline receiving autodialed or prerecorded calls or texts to your mobile phone number. Standard telephone minute and text charges may apply

THE SERVICE AND SOFTWARE, IF APPLICABLE, IS PROVIDED "AS IS" AND WITHOUT ANY WARRANTY OR CONDITION, EXPRESS, IMPLIED OR STATUTORY. PAYPAL, ITS SUBSIDIARIES, AFFILIATES, EMPLOYEES, SUPPLIERS, VENDORS, AND SERVICE PROVIDERS SPECIFICALLY DISCLAIM ANY IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

We make reasonable efforts to ensure that Transactions are processed in a timely manner, but we make no representations or warranties regarding the time needed to complete processing because the Service is largely dependent on many factors outside our control. Some jurisdictions do not allow the disclaimer of implied warranties, so the foregoing disclaimer may not apply to you.

Notwithstanding the foregoing, you may have a right to a refund as expressly described in this User Agreement.

13. Indemnity

You agree to indemnify and hold PayPal, its suppliers, vendors, Service Providers, Service Companies and their respective subsidiaries, affiliates, officers, directors, agents, partners, employees, and consultants harmless from any claim or demand, including reasonable attorneys' fees, made by any third party due to or arising out of your use of the Service, your connection to the Service, your violation of the User Agreement or any law, or your violation of any rights of a third party.

14. Refunds

To request a refund, please click [here](#) for Customer Service. We will refund your money within four (4) Business Days of your request to cancel a transfer as long as the funds have not already been picked up or deposited into a Recipient's account. You can cancel your Transaction for a full refund within 30 minutes of authorizing your Transaction, unless the Send Money funds, Reload, or Bill Pay has already been paid out to the Recipient or Third-Party Service Company. After 30 minutes, we generally do not provide refunds, but may do so in limited circumstances.

We will make every effort not to debit your Payment Method after we have received your request for cancellation. However, in some cases, we may have initiated an irreversible request for funds from your financial institution prior to receiving your request for cancellation. In such cases, your Payment Method may be debited even if you have cancelled your Transaction but we will refund your money usually within four (4) Business Days after we have received the funds from your financial institution.

Refunds will be credited to the same Payment Method used to pay for the Transaction. Refunds are only made in same currency used to pay for the Transaction ("Send Currency"). 5. Limitations of Liability

If PayPal fails to comply with this User Agreement and does not exercise reasonable care and skill in providing the Service, PayPal is responsible for loss or damage you suffer that is a foreseeable result of its breach of this User Agreement or its negligence, but PayPal is not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if it is an obvious consequence of a PayPal breach or if it was contemplated by you and PayPal at the time you entered into this User Agreement. Losses of profit or business opportunities would not, for example, be foreseeable as consumers use the Service for personal not business use. We won't be responsible for losses due to:

- your breaching this agreement or acting unlawfully; or
- Unavoidable, unforeseeable events outside of our control.

6. Your Liability to PayPal

You will be responsible for any losses, expenses or other costs incurred by PayPal which are caused by:

- Your breach of this User Agreement;
- Your improper use of the Service and /or the Xoom Account;
- Your violation of any applicable law; and / or
- Your breach of the rights of a third party to the extent that they cause loss, expenses or costs to PayPal.

7. Disputes United Kingdom Residents

If a dispute arises between you and PayPal and you reside in the United Kingdom, our goal is to learn about and address your concerns. If we are unable to address your concerns to your satisfaction, we will seek to provide you with a neutral and cost-effective means of resolving the dispute quickly. Disputes between you and PayPal regarding the Service may be reported to Customer Service.

We will aim to respond to your complaint as quickly as possible; however, depending on the complexity of the issue, it may take up to 15 business days for payments-related complaints and up to 8 weeks for all other complaints. If there is any delay in our final response, we'll send you an update on the progress. If the outcome of any complaint about our services is still not to your satisfaction, you can refer your complaint to the United Kingdom's Financial Ombudsman Service ("UK FOS"). 8. General

We reserve the right at any time, and from time to time, to modify or discontinue the Service (or any part thereof). If we do so we will provide you with reasonable prior notice.

9. Delays or Cancellations

Delays or Cancellations. If you breach this User Agreement or where we are required to do so by law, we may delay or cancel your Transaction, or close your Xoom Account and/or the Xoom Account of your Recipient (if they have one), at any time prior to completion. Reasons why we may delay or cancel your Transaction include:

- identity verification; validation of your Transaction instructions and Payment Instruments; fraud and anti-money laundering compliance review;
- contacting and locating you, your Beneficiary, the Third-Party Service Company, your Sender, or your Recipient;
- qualification or disqualification for POWR (as defined above); and
- to comply with applicable law.

Business hours, systems availability and currency availability of our Service Providers may also cause delays. Nevertheless, you may be entitled to a refund in certain circumstances, as described below.

When we delay or cancel a Transaction we will inform you and give you a reason for our action unless we are prohibited from doing so by law or where we have reasonable grounds for not doing so (for example where we think a criminal offence might have been committed).

10. Suspension or Termination of Services

Subject to applicable law, we may suspend or terminate access to or use of our websites, software, systems (including any networks and servers used to provide any of the Service) operated by us or on our behalf, or some or all of the Service if you are in breach of this User Agreement or your PayPal user agreement or we are required to do so by law. Where we do so we will seek to give you advance notice and an opportunity to fix the breach. There may be circumstances where we are not able to provide you with advance notice and/or an opportunity to fix the breach and suspension or termination will apply immediately. These will include:

- instances where you are in serious or repeated breach of the User Agreement or the PayPal user agreement;
- where giving notice could cause harm or liability to PayPal, the Service or another Xoom user;
- it would be in breach of the law or an enforcement order; or
- if it could compromise the security of the Service.

We may also close your account and terminate this User Agreement if we cease to provide the Service. We will give you advance notice and cancel any or all of your Transactions and refund the applicable Transaction Amounts to you.

Upon terminating your account:

- This User Agreement terminates immediately, except that it survives termination to the extent and for so long as we require to deal with the closure of your account and to comply with applicable laws and regulations.
- We may cancel any pending transactions.
- We may suspend, limit or terminate your access to or use of our Service.
- You will remain liable for all outstanding obligations under this User Agreement related to your account prior to closure.
- We may keep your account information in our database for the purpose of fulfilling our legal obligations.

11. How we protect your funds for Transactions

When funds are sent to your Xoom Account, the UK Payment Services Regulations 2017 imposes requirements about how we hold them. When we receive these funds, we consider them "Relevant Funds". We segregate these Relevant Funds from any of our own money in bank accounts known as segregated bank accounts that are held with an authorised credit institution. If we continue to hold the Relevant Funds at the end of the business day following the day on which we received the Relevant Funds, we will deposit these into a separate safeguarding bank account that are held with an authorised credit institution. This process of protecting relevant funds is referred to as safeguarding. We keep safeguarding your Relevant Funds until we transfer them to a Service Provider in accordance with the terms of this User Agreement. If we were to become insolvent, the Relevant Funds that we hold for you and our other users in our segregated and/or safeguarded bank accounts will form a separate asset pool. This means that, after the costs of insolvency, the insolvency practitioner or administrator appointed to deal with the insolvency will be entitled to use the funds in the asset pool to reimburse you any monies owing, before any other creditors of PayPal.

Nothing in this provision stops us from deducting fees that we are entitled to collect under this User Agreement and any fees do not form part of the protected asset pool.

12. Changes to this User Agreement

PayPal may update this User Agreement from time to time.

The types of changes that we may make to this User agreement may include, for example,

- editorial or clarificatory changes, such as updating names of products, correcting typographical or calculation errors or other obvious mistakes or changes to text to improve transparency.
- changes made because of a change in applicable laws;
- when introducing new products, features or services or improving existing ones;
- when further enhancing the security of our services; or
- to respond to any other change that affects how we wish to deliver our services to you.

Whenever we make a change to this User Agreement that impacts our contractual relationship with you or the nature of the Service we provide to you, we will usually provide notice to you of at least 30 days on our website and/or via email or by other means. We may make changes more quickly if a change is required under applicable law or the change relates to the addition of a new service, extra functionality or any other change which we believe in our reasonable opinion to neither reduce your rights nor increase your responsibilities (including editorial or clarificatory changes). You can review the most current version of the User Agreement at any time by reviewing our websites.

Changes to this User Agreement will take effect on the date of expiry of the notice period (where a notice period applies) or on the date when the change is made (where a notice period does not apply).

By continuing to use the Service after any changes to this User Agreement take effect, you will be deemed to have accepted the change. If you do not agree to any change and do not wish to continue to use the Service under the revised User Agreement you have the option to close your Xoom Account. See [How do I close my Xoom Account?](#) for further information on closing your Xoom Account.

13. Governing Law and Jurisdiction

This User Agreement and the relationship between us is governed by the laws of England and Wales. This does not affect your mandatory rights under the laws of the country in which you reside, such as your rights as a consumer. Any controversy, dispute, or claim arising out of or relating to the Service or User Agreement (a "Claim") shall be governed by and construed in accordance with the laws of England and Wales.

You may bring a claim against us in the courts of the country where you live in the UK.

We can bring a claim against you in the courts of the country you live in.

PART E. UNITED STATES SPECIFIC PROVISIONS

If your country of residence is in the United States at the time you send a Transaction, the following provisions shall apply to you:

1. Services

Reload Service

For the Reload service, DT One is a Reload Third-Party Service Company that sells you the Reload according to [DT One's U.S. Terms & Conditions and Privacy Policy](#). Xoom transfers the applicable amount of your payment to DT One. DT One offers Reloads from the U.S. to eligible U.S. and non-U.S. Carriers.

Selling Cryptocurrency to Fund Transactions

You may have the option to sell eligible cryptocurrency assets held in the cryptocurrencies hub of your PayPal Balance account to fund a Transaction. When doing so, the sale proceeds will be disbursed to your PayPal Balance account, which will then be used as the Payment Method for your Transaction. The amount of cryptocurrency assets you will sell will be equivalent to the U.S. dollar amount you are sending to your recipient plus any applicable U.S. dollar-denominated Transaction Fee. Your sale of cryptocurrency assets is governed by the [PayPal Cryptocurrency Terms and Conditions](#). If you sell cryptocurrency assets to fund a Transaction that is not completed for any reason, the sale proceeds will remain in your PayPal Balance account.

2. Languages and Translations

We will communicate with you in English only. This User Agreement and the Privacy Policy is concluded in English only. Any translation of this User Agreement or the Privacy Policy is provided solely for your convenience and is not intended to modify the terms of this User Agreement or the Privacy Policy. In the event of a conflict between the English version of this User Agreement or Privacy Policy and a version in a language other than English, the English version shall be the definitive version.

3. Limitations on Dollar Amounts of Transfers

You may execute up to a maximum dollar amount per Transaction using your Xoom Account, depending on the type of Transaction. The per-Transaction maximums are available in the article [How Much Money Can I Send](#). In addition, you may execute up to a certain maximum dollar amount in total for Transactions over a specified period of time using your Xoom Account. The maximum total amounts for specified periods are available in the article [How Much Money Can I Send](#). Xoom's Service Providers also may limit the maximum dollar amount of a Transaction, or reject a proposed Transaction, in their sole discretion.

4. Limitations on Frequency of Transfers

Limitations may apply on the maximum number of Transactions you may make over a specified period of time using your Xoom account. In addition, Xoom's Service Providers may limit the maximum number of Transactions you can make over a period of time, in their sole discretion.

5. Periodic Statements

You will get a monthly statement of your Xoom account activity.

6. Authorization to Charge Your Payment Method

1. General authorization to charge your Payment Method. By linking a Payment Method, such as a credit card, debit card, or bank account, to your Xoom account, as described above in Link or Unlink a Payment Method to a Xoom account under Part B.3, you authorize us to charge such linked Payment Method (a) whenever you choose such linked Payment Method to send money using Xoom, (b) in connection with any errors, claims, or disputes, and (c) for amounts you owe to Xoom. Before linking a bank account, you should review and understand the consumer protection rights and remedies available for different payment methods under the Electronic Fund Transfer Act (EFTA) and Fair Credit Billing Act (FCBA).
2. Authorization of specific transactions. Each time you send money with your Xoom account, you authorize us to charge the selected Payment Method for the amount you are sending and any applicable fees.
3. Revoking your authorization. You can revoke our authority to charge a card or bank by unlinking that Payment Method from your Xoom account as described in the section Link or Unlink a Payment Method to a Xoom account. Such revocation only applies to transactions that are initiated by you after you unlink the Payment Method. It does not affect our authority to charge the Payment Method for a transaction you have already authorized, including our authority to re-present a charge to the unlinked Payment Method. Unlinking a Payment Method also does not revoke our authority to charge or credit the Payment Method in connection with an error, dispute, or claim with respect to a transaction initiated before you unlinked that Payment Method.

7. Bank Account Transfers.

Each time you use your bank account as a Payment Method, you authorize Xoom to electronically debit (via ACH) your bank account (and, if necessary, electronically credit your account to correct erroneous debits). For these transactions, Xoom will initiate electronic debits and/or credits to your bank account, as set forth under Authorization to Charge Your Payment Method above. You authorize Xoom to re-present a debit entry to your bank account up to two (2) times if the initial transfer is rejected by your bank for any reason. If you use your bank account as the payment method for a Transaction Amount that exceeds the balance in your linked bank account, you could incur overdraft fees, even if you chose not to allow overdrafts with your bank.

8. Your Liability for Unauthorized Use of Your Xoom Account Credentials

Tell us AT ONCE if you believe your Xoom Account credentials (username or password) have been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your Xoom Account. Telephoning is the best way of keeping your possible losses down. If your Payment Method is associated with an asset account (e.g., a bank deposit) (a "Debit Instrument"), you could lose all the money associated with your Debit Instrument (plus the maximum amount of any overdraft line of credit associated with your Debit Instrument). If you tell us within 2 Business Days after you learn of the loss or theft of your Xoom Account credentials, you can lose no more than \$50 if someone used your Xoom Account credentials without your permission to access a Debit Instrument.

If you do NOT tell us within 2 Business Days after you learn of the loss or theft of your Xoom Account credentials, and we can prove we could have stopped someone from using your Xoom Account credentials without your permission if you had told us, you could lose as much as \$500 if your Xoom Account credentials are used to access a Debit Instrument.

Also, if your Xoom statement shows transfers using a Debit Instrument that you did not make, tell us at once. If you do not tell us within 180 days from the date we promised to you that funds would be made available to the Recipient, as provided in the Transaction receipt, you may not get back any money you lost after the 180 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your Xoom Account credentials have been lost or stolen, please contact us using any method provided on our [support page](#).

Notwithstanding the foregoing, if your Payment Method is not a Debit Instrument (e.g., if you use a credit card for funding), you will be responsible for the losses as set forth in the User Agreement.

9. In Case of Errors or Questions About Your Transactions Made with a Debit Instrument

The error resolution procedures, rights and obligations described in this Section 9 apply to Transactions made with a Debit Instrument ("Debit Transactions"). Treatment of Debit Transaction error claims varies depending on whether you send funds within the United States or internationally, and whether you are claiming unauthorized use of your Xoom Account. If your Transaction was made with a credit card Payment Method ("Credit Card Transactions"), error resolution procedures, rights and obligations are set forth in Section 10.

In case of errors or questions about your Debit Transactions, please contact us using any method provided on our [support page](#) as soon as you can, if you think your statement or receipt is wrong or if you need more information about a Debit Transaction listed on the statement or receipt. We must hear from you no later than 180 days from the date we promised to you that funds would be made available to the Recipient, as provided in the Debit Transaction receipt.

1. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information;
2. Tell us the dollar amount of the suspected error; and
3. Tell us either: a. Your name, email address associated with your account or telephone number; or b. Each of the following: i. The Transaction number for the Debit Transaction (we provide a Transaction number on receipts, in statements and in your Transaction history within your account); and ii. The Recipient's name, and if known, the telephone number or address of the Recipient.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 Business Days.

The following applies if you think any Debit Transaction was not authorized by you, or if you think any error has occurred with respect to the Debit Transaction where the Destination is the United States:

1. We will determine whether an error occurred within 10 Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 Business Days, we may not credit your account.
2. We will tell you the results within three Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

The following applies if you think an error has occurred with respect to any Debit Transaction where the Destination is not the United States, other than an unauthorized Debit Transaction error:

1. We will determine whether an error occurred within 90 days after you contact us and we will correct any error promptly. We will tell you the results within three Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of any documents we used in our investigation or for more details about your

investigation.

10. In Case of Errors or Questions About Your Transactions Made with a Credit Card

The error resolution procedures, rights and obligations described in this Section 10 apply to Credit Card Transactions. Treatment of Credit Card Transaction error claims varies depending on whether you send funds within the United States or internationally, and whether you are claiming unauthorized use of your Xoom Account. If your Transaction was made with a Debit Instrument, error resolution procedures, rights and obligations are set forth in Section 9.

In case of errors or questions about your Credit Card Transaction where the Destination is not the United States, other than an unauthorized Credit Card Transaction error ("Non-U.S. Credit Card Transaction"), please contact us using any method provided on our support page as soon as you can, if you think your statement or receipt is wrong or if you need more information about a Non-U.S. Credit Card Transaction listed on the statement or receipt. We must hear from you no later than 180 days from the date we promised to you that funds would be made available to the Recipient, as provided in the Non-U.S. Credit Card Transaction receipt.

1. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information;
2. Tell us the dollar amount of the suspected error; and
3. Tell us either: a. Your name, email address associated with your account or telephone number; or b. Each of the following: i. The Transaction number for the Non-U.S. Credit Card Transaction (we provide a Transaction number on receipts, in statements and in your Transaction history within your account); ii. The Recipient's name, and if known, the telephone number or address of the Recipient.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 Business Days.

If you think an error has occurred with respect to your Non-U.S. Credit Card Transaction, we will determine whether an error occurred within 90 days after you contact us and we will correct any error promptly. We will tell you the results within three Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of any documents we used in our investigation or for more details about your investigation.

If you think any Credit Card Transaction was not authorized by you, or if you think any error has occurred with respect to a Credit Card Transaction where the Destination is the United States, please contact us using any method provided on our [support page](#) as soon as you can for assistance with resolving the issue. You may also contact the issuer of your credit card Payment Method regarding your dispute.

11. Our Liability

If we do not complete a Transaction drawn against a Debit Instrument on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of ours, you do not have enough money in the account associated with your Debit Instrument to complete the Transaction.
2. If the Transaction would cause your designated Debit Instrument to go over any applicable credit limit on any overdraft line associated with the Debit Instrument.
3. If the system was not working properly when you instructed us to complete the Transaction and you knew about the breakdown when you started the Transaction.
4. If circumstances beyond our control (such as fire or flood) prevent the Transaction, despite reasonable precautions that we have taken.
5. There may be other exceptions stated in our User Agreement with you.

15. Agreement to Arbitrate

You and PayPal agree that any claim or dispute at law or equity that has arisen or may arise between you and us, out of or relating to the Xoom services or your Xoom account, will be resolved in accordance with the Agreement to Arbitrate provisions set forth below. Please read this information carefully. Among other things it:

- Affects your and our rights and will impact how claims between you and us are resolved, including your and our agreement to waive the right to trial by jury.
- Includes a Prohibition of Class and Representative Actions and Non-Individualized Relief pursuant to which you agree to waive your right to participate in a class action lawsuit against us.

Xoom Agreement to Arbitrate

Our Agreement

You and PayPal each agree that any and all disputes or claims that have arisen or may arise out of or relating to the Xoom services or your Xoom account including without limitation federal and state statutory claims, common law claims, and those based in contract, tort, fraud, misrepresentation or any other legal theory, shall be resolved exclusively through final and binding arbitration or in small claims court. You or PayPal may assert claims in small claims court instead of in arbitration, if your claims qualify and so long as the matter remains in small claims court and advances only on an individual (non-class, non-representative) basis. This Agreement to Arbitrate is intended to be broadly interpreted. The Federal Arbitration Act governs the interpretation and enforcement of this Agreement to Arbitrate.

Notices of Disputes

Before bringing any dispute or claim, you or PayPal must first send the other party, by certified mail, a completed Notice of Dispute. You should send this notice to PayPal at: PayPal, Inc., Attn: Legal Specialists, Re: Notice of Dispute, P.O. Box 45950, Omaha, NE 68145-0950. PayPal will send any notice to you to the address we have on file associated with your Xoom account; it is your responsibility to keep your address up to date. To be valid, the Notice of Dispute must contain all information called for in the Notice of Dispute form, including but not limited to: your PayPal's signature, the email address and phone number associated with the customer's Xoom account, a description of the nature and basis of the claims that are being asserted, a statement of the specific relief sought, and any relevant documents and supporting information reasonably available to the claiming party. If you and PayPal are unable to resolve the claims described in the notice within 45 days after the notice is received by you or PayPal, you or PayPal may commence an arbitration proceeding or suite in small claims court. A form for initiating arbitration proceedings is available on the American Arbitration Association's website at www.adr.org. The Notice of Dispute requirements are essential in order to give the parties a meaningful chance to resolve disputes informally.

Xoom Agreement to Arbitrate**Prohibition of Class and Representative Actions and Non-Individualized Relief**

You and PayPal agree that each of us may bring claims against the other only on an individual basis and not as a plaintiff or class member in any purported class or representative action or proceeding. Unless both you and PayPal agree otherwise, the arbitrator(s) may not consolidate or join more than one person's or party's claims and may not otherwise preside over any form of a consolidated, representative or class proceeding. Also, the arbitrator(s) may award relief (including monetary, injunctive and declaratory relief) only in favor of the individual party seeking relief and only to the extent necessary to provide relief necessitated by that party's individual claim(s). Any relief awarded cannot affect other PayPal or Xoom customers.

Arbitration Procedures

Arbitration is more informal than a lawsuit in court. Arbitration uses a neutral arbitrator or arbitrators instead of a judge or jury, and court review of an arbitration award is very limited. However, the arbitrator can award the same damages and relief on an individual basis that a court can award to an individual. All issues are for the arbitrator to decide, except that a court competent jurisdiction shall decide issues relating to arbitrability, the scope or enforceability of this Agreement to Arbitrate, and issues that this Agreement to Arbitrate indicates that a court can resolve.

Any arbitration will be administered by the American Arbitration Association (referred to as the "AAA"). For all claims in which the value of the relief sought is \$10,000 or less, the AAA's Consumer Arbitration Rules, as modified by this Agreement to Arbitrate, shall apply without exception. For all other claims the AAA's rules, including, as applicable, the AAA's Consumer Arbitration Rules, as modified by this Agreement to Arbitrate, shall apply. The AAA's rules are available at www.adr.org. In the event that the AAA is unavailable to administer the arbitration, another administrator will be selected by the parties or by the court.

Any arbitration hearings shall be held in the county in which you reside or at another mutually agreed location. If the value of the relief sought is \$25,000 or less, the arbitration will be conducted based solely on written submissions, unless any party requests an in-person, telephonic, or videoconference hearing or the arbitrator decides that a hearing is necessary. In cases where an in-person hearing is held, you and/or PayPal may attend by telephone or videoconference, unless the arbitrator requires otherwise.

The arbitrator will decide the substance of all claims in accordance with applicable law, including recognized principles of equity, and will honor all claims of privilege recognized by law. No court or arbitrator shall be bound by rulings in prior arbitrations involving different PayPal or Xoom customers, but the court or arbitrator will be bound rulings in prior arbitrations involving the same PayPal or Xoom customer to the extent required by applicable law. The award of the arbitrator shall be final and binding, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

Costs of Arbitration

Payment of all AAA or arbitrator fees will be governed by the AAA's rules, unless otherwise stated in this Agreement to Arbitrate. If the value of the relief sought is \$10,000 or less, at your request, PayPal will pay all AAA or arbitrator fees associated with the arbitration. Any request for payment of fees by PayPal should be submitted by mail to the AAA along with your Demand for Arbitration and PayPal will make arrangements to pay all necessary fees directly to the AAA. If the value of the relief sought is more than \$10,000 and you are able to demonstrate that the costs of accessing arbitration will be prohibitive as compared to the costs of accessing a court for purposes of pursuing litigation on an individual basis, PayPal will pay as much of the AAA or arbitrator fees as the arbitrator deems necessary to prevent the cost of accessing the arbitration from being prohibitive. In the event the arbitrator determines that either the substance of your or PayPal's claim or the relief sought was frivolous or brought for an improper purpose, then you or PayPal may seek to recover from you or PayPal any fees it paid, including attorneys' fees, to the extent permitted by the AAA's rules and applicable law.

Severability

With the exception of any of the provisions in the Prohibition of Class and Representative Actions and Non-Individualized Relief section above, if a court decides that any part of this Agreement to Arbitrate is invalid or unenforceable, the other parts of this Agreement to Arbitrate shall still apply. If a court decides that any of the provisions in the Prohibition of Class and Representative Actions and Non-Individualized Relief section above is invalid or unenforceable because it would prevent the exercise of a non-waivable right to pursue public injunctive relief, then any dispute regarding the entitlement to such relief (and only that relief) must be severed from arbitration and may be litigated in court. All other disputes subject to arbitration under the terms of the Agreement to Arbitrate shall be arbitrated under its terms.

16. Governing Law and Jurisdiction

You agree that, except to the extent inconsistent with or preempted by federal law and except as otherwise stated in this User Agreement, the laws of the State of Delaware, without regard to principles of conflict of laws, will govern this User Agreement and any claim or dispute that has arisen or may arise between you and PayPal.
