The Card is:

- NOT a credit card;
- NOT a checking account or savings account;
- NOT a gift card; and
- NOT a payroll card.

Your ability to use the Card is limited to the Available Balance in your Consumer Financial Account. Please refer to your Consumer Financial Account Terms for more information regarding your Consumer Financial Account.

2. IDENTITY VERIFICATION AND RELATED INQUIRIES

a. Card Issuance

IMPORTANT INFORMATION ABOUT PROCEDURES FOR CARD ISSUANCE:

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who gets issued a Card.

What this means for you: When you request a Card, we may require your name, address, date of birth, Social Security number or tax identification number, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. We may not be able to issue a Card for you if we cannot verify your identity. We may also make additional inquiries from time to time to help determine whether we should maintain your Card or enable additional features.

We may screen you against applicable sanctions lists maintained by the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC") and other government lists as required by law. We may block or close your Card if required by law or if we are unable to verify your identity.

b. Inquiries

We may make, and you consent to us making, any inquiries that we consider appropriate to help determine whether we should open, maintain, or close your Card; issue or close a Secondary Card or enable additional features. This may include verification of identity and employment and credit reports or other reports from account information services and credit reporting agencies; provided, you will not be subject to a credit report in order to open your Card.

3. CARD STRUCTURE

a. Card structure

Your Card is linked to your Consumer Financial Account, and you authorize us to deduct funds from your Consumer Financial Account until you close your Consumer Financial Account or Card. The terms governing your Consumer Financial Account, including how funds are held and custodial arrangements, are set forth in the Consumer Financial Account Terms. When the Card is used for a transaction, an authorization request will be transmitted to us. We will first determine if you have sufficient funds in your Consumer Financial Account in the amount needed to complete the transaction. If we determine that you have sufficient funds, the transaction will be authorized and the amount will be deducted directly from your Consumer Financial Account. If there are insufficient funds in your Consumer Financial Account or the transaction is otherwise not authorized, the transaction will be declined.

b. Available Balance

The amount of funds available through your Card is limited to the funds in your Consumer Financial Account. Please refer to your Consumer Financial Account Terms for more information regarding your Consumer Financial Account.

c. Account limits

There may be limits on the number, type, or dollar amount of transactions you may make using the Card. For current limits, visit <https://www.remitly.com/> or call Support. We will not be liable if we do not complete a transaction because it exceeds applicable limits or there are insufficient funds in your Consumer Financial Account.

4. USING THE CARD

a. Permitted Uses

Provided there are sufficient funds in your Consumer Financial Account, you may use your Card to:

- Pay for goods and services at merchants that accept Visa debit cards, including in-store, online, in-app, and by mail or telephone ("point-of-sale" transactions);
- Withdraw cash from ATMs displaying the Visa, Plus;
- Obtain cash back with a point-of-sale purchase where available;
- Obtain cash from participating financial institutions (Visa member bank cash withdrawal);

- Add the Card to a supported digital wallet (Apple Pay, Google Pay, Samsung Pay) and make purchases using such digital wallet;
- Send or receive person-to-person transfers where available; and
- Make bill payments where available.

Some of these services may not be available at all terminals, with all merchants, or with all Card configurations.

b. Activation and PIN

You may use your Card only after activation. To activate your Card and select a Personal Identification Number ("PIN"), visit <https://www.remitly.com/> or call Support. You can use your Card and PIN to withdraw cash from ATMs and to make PIN-based debit purchases. You may change your PIN at any time by visiting <https://www.remitly.com/> or calling Support.

You agree that you will:

- Not disclose your PIN or record it on the Card or otherwise make it available to any other individual;
- Use the Card, the PIN, and any terminal as instructed;
- Promptly notify us of any loss or theft of the Card or PIN by calling Support; and
- Be responsible for your use of the Card and PIN, including any use by someone you permit to use your Card or PIN.

If you permit another person to use your Card, you will be deemed to have authorized such use and you will be liable for all transactions made by that person unless and until you notify us that such person's authority is revoked.

c. Debit Transactions

You may initiate a debit transaction at the point of sale by swiping, inserting, or tapping your Card, signing the receipt or providing your signature electronically, or entering your PIN. You may also provide your Card number for mail order, telephone, or internet purchases. Different terms may apply to transactions conducted with or without a PIN. Please refer to Sections 12 and 13 for a description of rights and protections applicable to your Card.

d. Transaction Limitations

For security and regulatory reasons, we may limit the number, type, or dollar amount of transactions you may make, or suspend or terminate your Card. We may also refuse to process transactions or decline to authorize transactions if:

- You breach these Terms, applicable laws, or applicable card network rules;
- We reasonably suspect fraud or unauthorized use;
- You provided inaccurate or false information in connection with the Card;
- You pose an unacceptable regulatory, reputational, or financial risk to us; or

- We are required to do so by law, regulation, or court order.

For information regarding current transaction limits, visit <https://www.remitly.com/> or call Support.

5. FEES AND CHARGES

a. Fee Schedule

All fees applicable to your Card are set forth in the Fee Schedule, which is always available at <https://www.remitly.com/> and may be requested at no charge by calling Support. You agree that the fees set forth in the Fee Schedule apply to your Card and your usage, and you authorize us to deduct the applicable fees from your Available Balance. A particular fee may not apply if it is restricted by law in your state.

b. Third-Party Fees

You understand that parties other than us—including third-party ATM operators and other service providers—may charge you additional fees for use of the Card or services related to the Card. These fees will be disclosed by the party charging them at the time the services are used. For example, if you use an ATM outside of our in-network ATM locations, you may be charged a fee by us as well as by the ATM operator or by any network used to complete the transaction. For information about in-network ATM locations, visit <https://www.remitly.com/>.

c. Fee Changes

We may change, add, or delete fees from the Fee Schedule from time to time. We will provide you at least twenty-one (21) days' advance written notice before any fee increase or new fee takes effect, as required by applicable law. If you do not agree to the change, you may cancel your Card and receive your remaining Available Balance before the change takes effect at no charge. If the change is made for security purposes directly related to the safety of your Card, we may implement such change without advance notice.

6. CHECKING YOUR BALANCE AND TRANSACTION HISTORY

a. Information about your Available Balance

We will send you a periodic statement for each monthly cycle in which an electronic fund transfer has occurred, and at least quarterly if no transfer has occurred. Your periodic statement will include: the amount, date, and type of each transfer; any fees charged; your beginning and ending balances; and the address and telephone number for inquiries or error reporting.

b. Receipts

You are entitled to receive a receipt at the time you make a transaction at an ATM or point-of-sale terminal.

7. AUTHORIZATION HOLDS

When you use your Card to pay for goods or services, certain merchants may request authorization in advance and may estimate the final value of the transaction. When you use your Card at an ATM, we generally authorize the transaction in advance, including all applicable fees. When we authorize the transaction, we place a temporary hold on your Available Balance for the amount indicated by the merchant.

With certain types of purchases (such as at restaurants, hotels, or similar merchants), we may preauthorize an amount greater than the transaction amount to cover gratuity or incidental expenses. Any preauthorization will place a "hold" on your Available Balance until the merchant sends us the final payment amount. Once we receive the final amount, we will release the hold. During this time, you will not have access to the held amount. If you authorize a transaction but do not complete the purchase, the approval may result in a hold on those funds for up to thirty (30) days.

If you use your Card at an automated fuel dispenser ("pay at the pump"), the merchant may preauthorize the transaction for up to \$150 or more. If your Card is declined at the pump even though you have sufficient funds, pay for your purchase inside with the cashier.

We will charge your Card only for the correct amount of the final transaction and will release any excess amount when the transaction settles. You acknowledge that released funds may not be immediately available for use until we have had a reasonable time to process the release.

8. RETURNS AND REFUNDS

If you are entitled to a refund for goods or services purchased with your Card, the merchant handles the return and refund. While merchant refunds post as soon as we receive them, we have no control over when a merchant sends a credit transaction. The refund may not be available for several days after the refund transaction occurs.

We are not responsible for the quality, safety, legality, or any other aspect of any goods or services purchased with the Card. Any claims concerning the quality of goods or services must be resolved by you directly with the merchant.

9. TRANSACTIONS IN EXCESS OF BALANCE

You are not allowed to exceed your Available Balance through any individual or series of transactions. If you attempt a transaction with insufficient funds, the transaction will generally be declined. If you do not have enough funds available, you may be able to ask the merchant to perform a "split transaction" to charge part of the purchase to the Card and pay the remaining amount with another form of payment.

10. FOREIGN CURRENCY TRANSACTIONS

The amount of any transaction in a foreign currency will be converted to U.S. dollars. The conversion rate will be determined by the rules and procedures of Visa and may include a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable processing date, which may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable processing date. An international transaction fee may also apply as set forth in the Fee Schedule. This fee may be assessed on all transactions in which the merchant is located in a country other than the United States, even if the transaction does not require a currency conversion.

11. REPLACEMENT CARDS

A replacement Card will be sent to you prior to the expiration of your Card, provided your Consumer Financial Account has not been closed. If your Card is lost, stolen, or damaged, contact Support to request a replacement. A fee may apply as set forth in the Fee Schedule.

Expedited delivery options may be available for an additional fee. You must activate the replacement Card before use.

12. LOST OR STOLEN CARDS AND UNAUTHORIZED TRANSACTIONS

Tell us AT ONCE if you believe your Card or PIN has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your Card. You could lose all the money in your Consumer Financial Account if you do not promptly contact us about a lost or stolen card.

If you tell us within two (2) business days after you learn of the loss or theft of your Card or PIN, you can lose no more than \$50 if someone used your Card or PIN without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft, and we could have stopped someone from using your Card or PIN without your permission if you had told us, you could lose as much as \$500.

Also, if your periodic statement shows transactions that you did not make, tell us at once. If you do not tell us within sixty (60) days after we send you the first periodic statement on which the unauthorized transfer appeared, you may not get back any money you lost after the sixty (60) day period if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason prevents you from reaching out to us in a timely fashion, we may extend the time periods.

If you believe the Card or PIN has been lost or stolen or that someone has transferred or may transfer money from your Consumer Financial Account without your permission, call Support at 1 (888) 736-4859 or write to us at:

Remitly

401 Union Street, Suite 1000, Seattle, WA, 9810

If you report the Card or PIN as lost or stolen, we may close the Card to prevent further losses.

For purposes of these Terms, our business days are Monday through Friday. Holidays are not included.

13. ERROR RESOLUTION

In case of errors or questions about your Card, call us at 1 (888) 736-4859 or write to us at:

Remitly

401 Union Street, Suite 1000, Seattle, WA, 9810

if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and Card number (if any).

- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your Consumer Financial Account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your Consumer Financial Account.

For errors involving new Cards, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new Cards, we may take up to 20 business days to credit your Consumer Financial Account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If you need more information about our error-resolution procedures, call Support.

14. PREAUTHORIZED RECURRING PAYMENTS

If you have regular recurring payments from your Card and wish to stop them, first contact the merchant or bill pay provider with whom you set up the payment and request the payments stop. If the merchant is not responsive, call Support or write to us at:

Remitly

401 Union Street, Suite 1000, Seattle, WA, 9810

in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may require you to put your request in writing and get it to us within fourteen (14) days after you call.

If these regular payments may vary in amount, the person you are going to pay will tell you ten (10) days before each payment when it will be made and how much it will be.

If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled and we do not do so, we will be liable for your losses or damages.

If you use the Card for recurring transactions or preauthorized payments, you are responsible for monitoring your Available Balance to make sure it is sufficient. Because the Card does not carry a credit line, a merchant may suspend or cancel your service if the Card does not have enough value when a recurring transaction is submitted. We are not responsible for any merchant cancellation due to insufficient funds.

15. COMPLAINTS

If you have a complaint, first contact us at 1 (888) 736-4859 or the number on the back of your card. If you still have an unresolved complaint, please direct your complaint to the appropriate agency.

16. ADDITIONAL TERMS IF SECONDARY CARDS ISSUED

We may issue a secondary Card ("Secondary Card") to a person at your written request to the Platform. In the event a Secondary Card is issued, the below provisions will apply to the person who has been issued a Secondary Card ("Secondary Cardholder").

a. Secondary Card Issuance

We will make any inquiries of the prospective Secondary Cardholder that we consider appropriate to help determine whether we should issue a Secondary Card. This may include, but is not limited to, verification of identity.

b. Activation

You must activate each Secondary Card before it can be used. After activation, a Secondary Cardholder may use the Secondary Card to make purchases and withdrawals subject to the Available Balance.

c. Your Responsibility

You are responsible for all use of each Secondary Card, including all transactions, fees, and charges incurred by any Secondary Cardholder or any person authorized by a Secondary Cardholder to use the Secondary Card. If a Secondary Card is used in a manner that violates these Terms, we may cancel both your Card and any Secondary Cards.

d. Access to Card Information

You will have access to the transaction history for your Card and all Secondary Cards. Secondary Cardholders may not have independent access to Support, the website, the mobile application, or the services provided through those channels. You may contact Support or access online services on behalf of a Secondary Cardholder.

e. Communications

All notices, disclosures, and other communications under these Terms will be sent to you only. You are responsible for sharing all communications from us with each Secondary Cardholder. All communications sent to you are deemed to have been given to both you and each Secondary Cardholder.

f. Cancellation of Secondary Cards

You may cancel a Secondary Card at any time by calling Support, provided we are given a reasonable opportunity to act on your request. We are not required to notify the Secondary Cardholder of the cancellation. If your Card is cancelled or closed for any reason, all Secondary Cards will automatically be cancelled.

g. Disputes Between Cardholders

All of your obligations and all Secondary Cardholder obligations under these Terms are not affected by any dispute, counterclaim, or right of set-off that you or any Secondary Cardholder may have against each other.

h. Lost or Stolen Secondary Cards

If a Secondary Card is lost or stolen, you must report it by calling Support immediately. The liability protections described in Section 12 apply to unauthorized transactions on Secondary Cards. You are responsible for ensuring that each Secondary Cardholder understands and complies with the obligation to safeguard the Secondary Card and PIN.

17. HOW WE CONTACT YOU

You agree that we may monitor and record any calls or other communications between us and you. You also agree that we or our service providers may contact you by using an automated dialing or email system, by text, or artificial or recorded voice. You agree to pay any service charges assessed by your plan provider for communications we send or make to you, or that you send or make to us.

18. LIMITATIONS AND DISCLAIMERS

We are not responsible for the quality, safety, legality, or any other aspect of any goods or services purchased with the Card. If we do not complete an electronic fund transfer to or from your Consumer Financial Account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance, if:

- Through no fault of ours, you do not have enough funds in your Consumer Financial Account to complete the transaction;
- A merchant refuses to accept the Card;
- An ATM or electronic terminal does not operate properly and you knew about the breakdown when you started the transaction;

- Access to the Card has been blocked after you reported the Card lost or stolen;
- Circumstances beyond our control (such as fire, flood, or computer or communication failure) prevent completing the transaction, despite reasonable precautions we have taken;
- There is a hold on your funds or your funds are subject to legal process or other encumbrance restricting their use;
- We have reason to believe the transaction is unauthorized;
- You have not passed the identity verification process required to complete the transaction;
- Funds have not been received and settled from the Consumer Financial Account; or
- For any other exception stated in these Terms.

Unless otherwise provided by law, our liability to you is limited to reimbursement for the face amount of any unauthorized transaction subject to these Terms. We will not be liable for any special, indirect, or consequential damages.

19. PRIVACY

We may provide information to our employees, auditors, affiliates, service providers, or attorneys as needed, or to any third party if you give us your written permission.

We may also collect:

- Information about purchases made with the Card, such as date, amount, and place of purchase; and
- Information you provide to us when you register a Card, request replacement Cards, or contact us with support issues, such as name, address, and phone number.

In addition, we may disclose information about you, your Card, or your transactions to third parties in order to:

- Complete transactions;
- Verify the existence and condition of your Card for a third party, such as a merchant;
- Provide customer services;
- Process claims for lost or stolen Cards;
- Comply with government agency or court orders, or other legal reporting requirements;
- Help protect against fraud and conduct research and analysis;
- As required by the card networks; or
- If you give us your written permission.

You will receive a separate privacy notice that provides additional details on how we collect, use, and share your personal information. Additional state-specific privacy rights may apply depending on your state of residence. Our privacy policies and notices are available at: <https://www.remitly.com/>

20. AMENDMENT AND CANCELLATION

We may amend or change these Terms at any time, subject to applicable law. You will receive a prior notice if and when required, and in the manner permitted, by applicable law. However, if the change is made for security purposes, we may implement such change without prior notice.

We may cancel or suspend your Card or these Terms at any time. You may cancel these Terms by cancelling your Card with your Platform Provider. Your termination of these Terms will not affect any of our rights or your obligations arising under these Terms prior to termination. Upon termination by either party, Remitly will reach out to you with instructions on how to access any funds remaining on your Consumer Financial Account.

The Card is the property of Lead Bank and must be surrendered upon demand.

21. UNCLAIMED PROPERTY

If your Card has been activated and you do not use your Card (including making a withdrawal, purchase, or balance inquiry) for the period required by applicable state law, we may be required to report and deliver the remaining balance to the state as unclaimed property. Once the funds are delivered to the state, you may contact the state to reclaim any such funds. We are not responsible for funds delivered to the state as required by applicable law.

22. DIGITAL WALLET

If you add your Card to a digital wallet (such as Apple Pay, Google Pay, or Samsung Pay), your use of the digital wallet is subject to the terms of the applicable digital wallet provider in addition to these Terms. Adding your Card to a digital wallet may require additional verification by us and the wallet provider.

Transactions made through a digital wallet are subject to the same terms, conditions, limits, and fees as physical Card transactions. Your obligations to safeguard your Card information extend to your digital wallet credentials. If you believe your digital wallet credentials have been compromised, notify us immediately by calling Support.

The unauthorized transaction liability protections described in Section 12 apply to transactions made through a digital wallet.

23. DISPUTE RESOLUTION

a. Jury Trial Waiver

To the extent permitted by law, you and we knowingly and voluntarily waive any right to trial by jury in the event of litigation arising out of or related to these Terms. This Jury Trial Waiver does not modify the arbitration clause below, which contains its own jury trial waiver.

b. Arbitration Clause

You can opt out of this arbitration clause within thirty (30) calendar days from activating or using the Card, whichever is earlier. You must send the opt out notice in writing to 401 Union Street, Suite 1000, Seattle, WA, 9810. This arbitration clause governs any dispute arising under these Terms, and the arbitrator shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability, or formation of this arbitration clause. Arbitrations will be conducted under the rules of the arbitration administrator, as chosen by us. Arbitration may be brought by you or us, and we will not demand arbitration if you bring an individual action in small claims court. In addition to the Jury Trial Waiver above, you also waive your rights to be a class member or bring suit in a class action or class arbitration. To commence an arbitration, the party bringing the dispute must send the notice and complaint in writing. You must send your notice to the notice address above. After receiving notice, the other party has 30 days to attempt to resolve the issue before a suit or arbitration commences. We will pay all costs associated with administering an arbitration brought by you in good faith if you cannot get a waiver and ask us to pay. Further, we will pay legal fees and costs if you win or as required by law or the arbitrator. This arbitration clause will stay in force if your Card is closed or we assign our rights under these Terms. This arbitration clause and any rights to appeal or requests for information will be governed by the Federal Arbitration Act and the rules of the arbitrator.

This arbitration clause shall survive:

- The termination of these Terms
- The bankruptcy of any party;
- Any transfer, sale or assignment of the Card, or any amounts owed on the Card, to any other person or entity; and
- Expiration of the Card

If any portion of this arbitration provision is deemed invalid or unenforceable, the remaining portions shall remain in force.

The Card is issued by Lead Bank pursuant to a license from Visa U.S.A. Inc.
