# THE BATHROOM SHOWROOM

## COMPLETE BATHROOM SOLUTION

With over 290+ showrooms nationwide, The Bathroom Showroom is here to help you create a bathroom that suits your style, space and budget. Whether you're planning a full renovation or a simple refresh, our expert design consultants are available in-branch or online to bring your vision to life.

Explore our inspiring bathroom sets, browse hundreds of products on display, and get advice from our design consultants to create a bathroom tailored to your needs.

Discover our best selling brands, iflo and Vitellio, available exclusively to City Plumbing. These stylish, high-quality brands are designed to suit any budget.

As part of City Plumbing, a leading plumbing and heating merchant, we provide everything you need for your bathroom project. From furniture and tiles, to underfloor heating and lighting, we offer a Complete Bathroom Solution. Plus, with installation supplies available from our City Plumbing trade counter or website, your project is hassle-free from start to finish.

Start designing today - visit your nearest Bathroom Showroom or book a free design consultation online.

# iflo Shower Panels

iflo Shower Panels provide a beautiful, effective solution for bathroom installations and a wide range of commercial applications.

With installation five times faster than traditional tiling, exceptionally low maintenance, and an industry-leading 35-year guarantee, our wall panels offer genuine value for your projects.

**Easy Lock.**  
*Quick to fit.*

The Easy Lock tongue-and-groove system ensures seamless installation with virtually invisible joints, providing a superior finish compared to traditional straight joint profiles. Available across our three decor ranges, the Easy Lock system guarantees fast, professional installation.

# TRIMS & ADHESIVES

Complete your wall panel installation with our comprehensive range of finishing trims. Designed to seal edges and joints seamlessly, these trims provide the essential finishing touch for any professional installation.

Our trim collection offers five distinct finishes:

\* only available in White      \*\* only available in SAA      \*\*\* only available with mill finish

Sample trims are available either as a complete bundle or individually by finish selection.

All trims are available in 2450mm long sections, with the exception of the Panseal trim which is only available in 1850mm long sections.
