About Mirakl

Mirakl offers the industry's first and most advanced enterprise marketplace SaaS platform. With Mirakl, organizations across B2B and B2C industries can launch marketplaces faster, grow bigger, and operate with confidence as they exceed rising customer expectations. Platforms are the new competitive advantage in eCommerce, and the world's most trusted brands choose Mirakl for its comprehensive solution of technology, expertise, and ecosystem that together unlock the power of the platform business model.

As a result, companies like ABB, Astore by AccorHotels, Best Buy Canada, Carrefour, Catch Group, Changi Airport, Darty, The Kroger Co., Leroy Merlin, Maisons du Monde, Coca-Cola Hellenic Bottling Company, and Toyota Material Handling gain the speed, scale and agility to win in the changing eCommerce landscape.
