

Feel the difference.

Millions of satisfied owners get their best night's sleep on a Tempur-Pedic® mattress. And now, that technology is available in an office chair, exclusively from Raynor Group. The one-of-a-kind TEMPUR® material delivers personalized comfort and support and is an outstanding complement to Raynor's world-class ergonomics and design.

no more pressure

TEMPUR® material conforms to your body, reducing uncomfortable, nagging pressure points.

you have our full support

TEMPUR® material molds to your body, and evenly distributes weight over the chair's surface. The results? Extraordinary back and leg support customized for comfort all day long.

positively responsive

Chairs with TEMPUR® material totally get *you*. While sitting, the cushion automatically adjusts for a customized, comfortable experience. When you stand, the chair returns to its original shape. Ready to go for whomever is lucky enough to enjoy it next.

Tempur-Pedic® 7600/7800 Mesh Back Multifunction Chair

Welcome to the chair that exceeds every expectation. The Tempur-Pedic 7600/7800 series mesh back, multifunction chair contours to your body with perfection. A tailored fit with customizable functionality from the company you trust for comfort.

Tempur-Pedic® 600 Mesh Back Multifunction Chair

Work in comfort and style with the TP600 Mesh Back Multifunction Chair. Made with the authentic TEMPUR® material found in Tempur-Pedic® mattresses, natural and consistent support cradles your body and pivots comfort where you need it most. Intuitive design and smart features make this a chair built not for the masses, but just for you.

Tempur-Pedic® 300/350

Choosing TEMPUR® material that molds and shapes to your form means you've invested in a chair that works with you instead of against you. The luxurious leather finish creates a contemporary, sleek look that dresses up any office or conference room.

Tempur-Pedic® 200/250

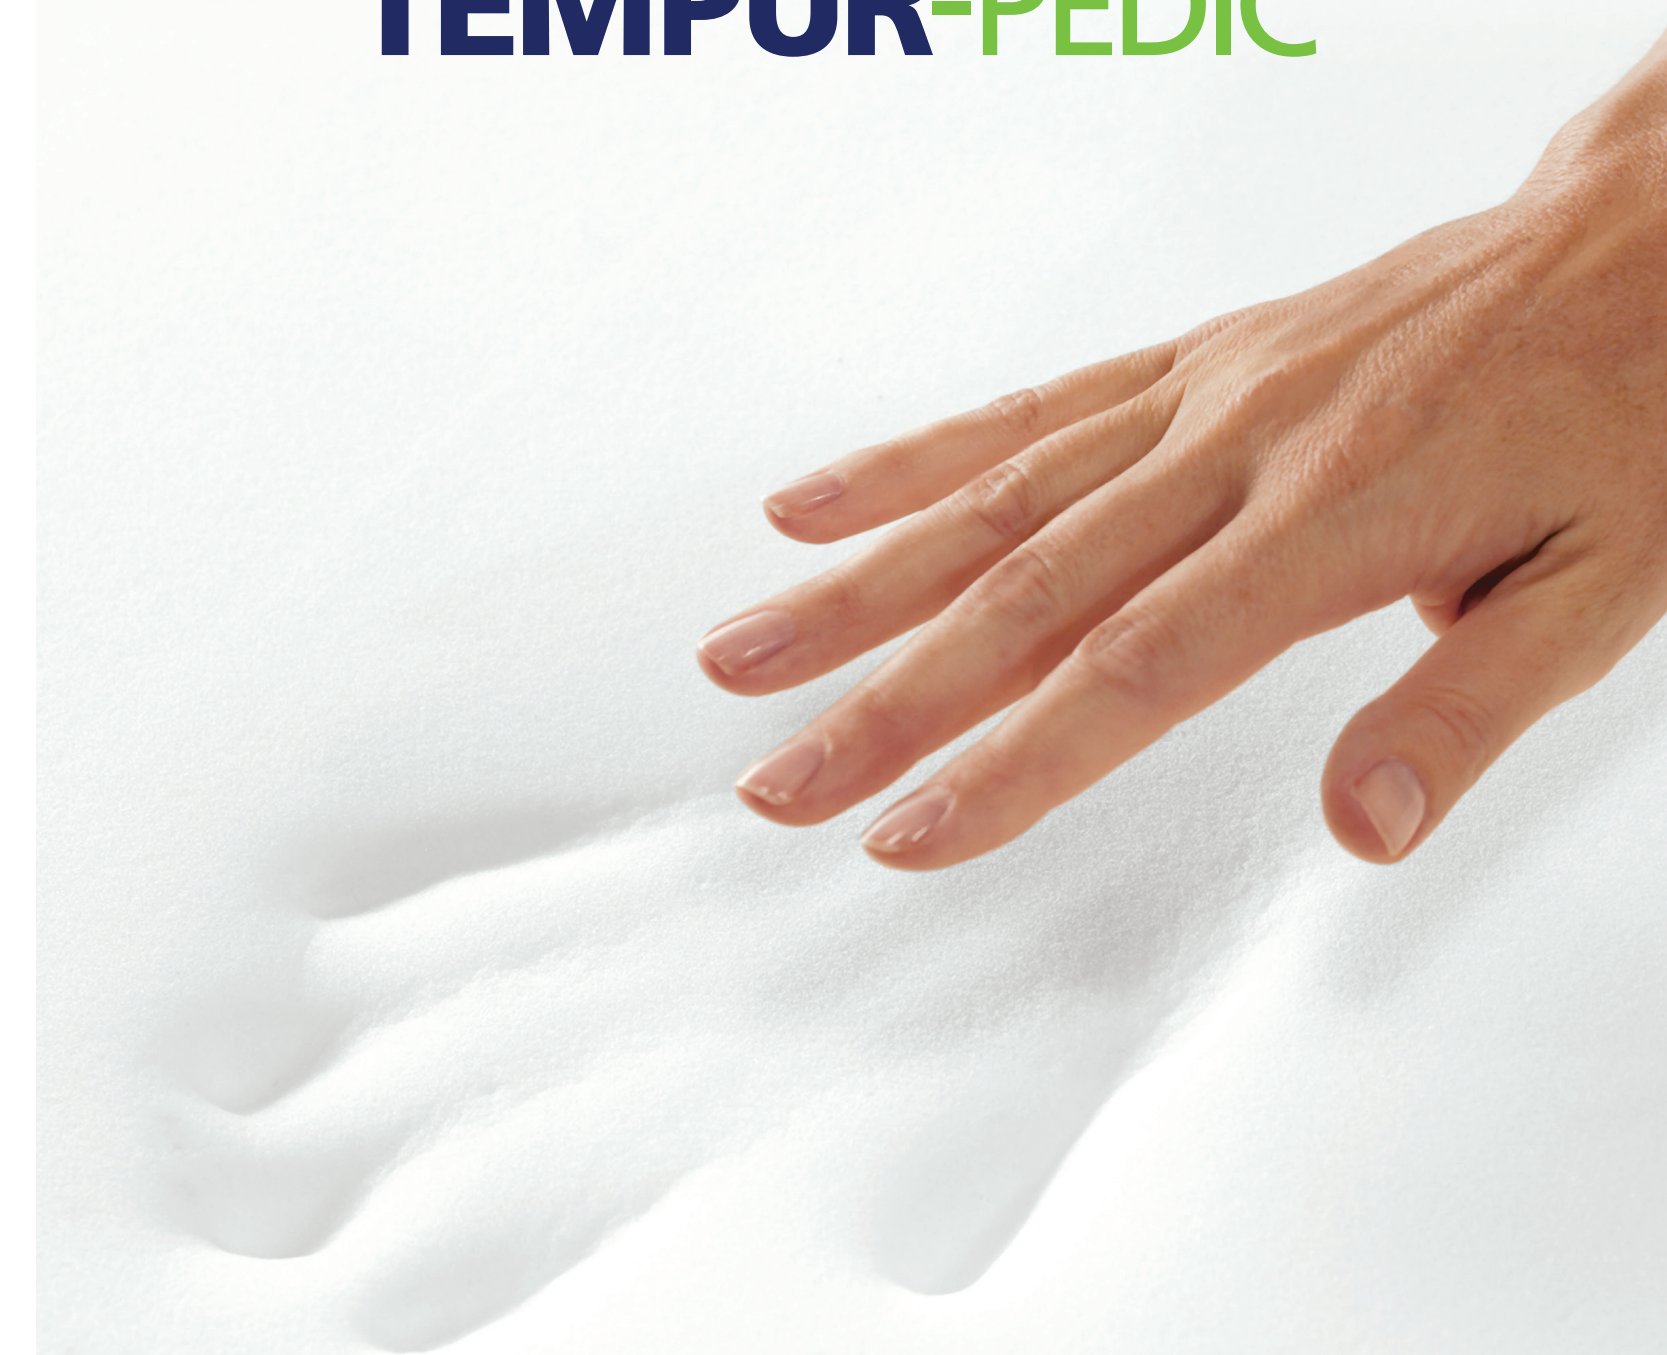

Not only are you in control, but in style, too. TEMPUR® material compliments Raynor's innovative spring technology, giving you a chair that responds to your body's every move. Also equipped with Outlast® cooling technology to regulate your skin temperature and reduce uncomfortable perspiration.

Tempur-Pedic® 210/220 Extended Height Stool

Work in comfort and style with the TP210/220 Extended Height Stool. Made with authentic TEMPUR® material — the same material found in Tempur-Pedic® mattresses — this chair works in any office environment and provides contoured comfort all day long.

Style and comfort.
