Not too hot, not too cold.™

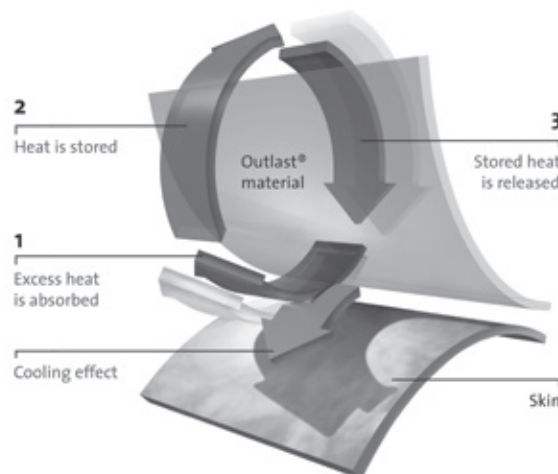

Outlast® Technology is now a cool new option for your next chair.

Eurotech's Fabrix Program allows you to customize every chair's upholstery. Now you can add Outlast® technology as well. With Outlast, your body's temperature stays regulated throughout the day, to keep you cool and comfortable.

Be sure to equip all your seating choices with Outlast technology, and bring a little bit of cool to your office game.

- ▶ Works to control skin temperature and the impact of moisture.
- ▶ Proactively eliminates perspiration, instead of just wicking it away.
- ▶ Absorbs, stores and releases excess body heat to maintain a consistent temperature.

How Outlast Technology Works

Add \$50 Per Chair

Our Process

Choose from over 10,000 contract fabrics from top mills. Find the fabric you want, confirm the grade of fabric from pages 4-12, choose your chair from pages 14-18, and find your list price based on the grade chosen. Fabrics can be viewed by finding the mill link on our website at www.eurotechseating.com/fabrix.
