

Table of the required marks:

Chosen major	Required marks for the assessment
Veterinary Medicine	Biology and Chemistry
Medicine	Biology and Chemistry
Medical rehabilitation and Ergotherapy	Biology and Chemistry
Nursing	Biology and Bulgarian language*
Midwifery	Biology and Bulgarian language*
Rehabilitator	Biology and Chemistry
Medical laboratory Technician	Biology and Chemistry
Medical Cosmetics	Biology and Chemistry
Assistant pharmacist	Biology and Chemistry
Geriatric Specialist	Biology and Bulgarian language*
Agronomy	Biology and Chemistry
Essential oil Crops	Biology and Chemistry
Zooengineering	Biology and Chemistry
Ecology and Environment Protection	Biology and Chemistry
Agrarian Engineering	Mathematics and Physics
Fsh farming and Aquaculture	Biology and Chemistry
Business Economy	Mathematics and Geography
Agrarian Economy and Trade	Mathematics and Geography
Regional Economy and Management	Mathematics and Geography
Local Finance	Mathematics and Geography

IT in Economy and Management	Mathematics and Geography
Special Pedagogy	History and Bulgarian language*
Primary School Pedagogy with foreign language	History and Bulgarian language*
Pre-school and primary school Pedagogy	History and Bulgarian language*
Social Pedagogiy	History and Bulgarian language*
Pedagogy of information technology training	IT/ Mathematics and Bulgarian language*
Pedagogy of art and graphic design training	IT/ Mathematics and Bulgarian language*
Design, Technology and Management of Fashion Industry	Mathematics and Physics
Auto transport and agricultural Machinery	Mathematics and Physics
Automatic and computer Systems	Mathematics and Physics
Electrical Engineering	Mathematics and Physics
Heat- and gas supply	Mathematics and Physics
Technology of foods	Mathematics and Physics
Industrial Engineering	Mathematics and Physics
