General Guidelines for Audit Students

Audit Students are defined as those who wish to enrol in a unit without pursuing academic credit.

Audit students:

1. are advised that places for audit students are limited, or may not be available in any given unit from time to time;
2. must be 18 years old as of the first day of classes;
3. may enrol in a unit designed for award students, with the permission of the relevant Lecturer, on the understanding that such units are presented at award level;
4. may be asked to demonstrate that they satisfy any prerequisite knowledge that might be required of the unit(s) being considered for enrolment;
5. must complete an AUDIT STUDENT ENROLMENT FORM and submit it to the Registrar by the relevant due date;
6. are required to pay a tuition fee;
7. may enrol in a unit that is delivered synchronously via weekly lectures on campus and/or Zoom as per the timetable schedule, or may enrol into asynchronous study in order to access the Zoom video recordings available to all distance education students;
8. will be entitled to access all handouts, readings, audio-visual material and photocopies normally distributed to award students;
9. are kindly asked to reserve their questions and comments until the end of class sessions, or during recess between sessions, so that priority may be given to award students;
10. will not be required to complete assessment tasks prescribed for award students, and do not have the privilege of assessment; and
11. may request a statement acknowledging participation in such units from the Registrar.

If English is a second language, a prospective audit student must have an International English Language Testing System (IELTS, or equivalent) score of 6.5 with no score less than 6.0 in all bands of the 'academic format' of the test.
