IMPORTANT INFORMATION ABOUT GUARDIAN'S *DENTALGUARD INDEMNITY AND DENTALGUARD PREFERRED PPO* PLANS

Dental PPO plans provide in-network and out-of-network benefits. Use of an in-network provider may result in reduce out of pocket costs.

Coverage is limited to those charges that are necessary to prevent, diagnose or treat dental disease, defect, or injury. Deductibles apply. Waiting periods may also apply for some services.

Individual dental plans do not pay for: oral hygiene services (except as covered under preventive services), orthodontia (unless expressly provided for), cosmetic or experimental treatments, any treatment to the extent benefits are payable by any other payor or for which no charge is made, prosthetic devices unless certain conditions are met, and services ancillary to surgical treatment.

Individual dental plans limit benefits for diagnostic consultations and for preventive, restorative, endodontic, periodontic and prosthodontic services.

Listed services, exclusions and limitations do not constitute a contract and are a summary only.

IMPORTANT INFORMATION REGARDING DENTAL HMO BENEFITS

Dental HMOs provide Pre-Paid dental benefits through a network of participating general dentists and specialty care dentists. All covered services must be provided by the member's Primary Care Dentist. Specialty care services are covered only when referred by the member's Primary Care Dentist and approved in advance by the Dental DHMO.

Only those services listed in the Dental HMO plan are covered. Certain services are subject to annual or other periodic limitations. Where orthodontic benefits are specifically included, the plan provides for one course of comprehensive treatment per lifetime, per member. Dental HMOs do not provide orthodontic benefits if comprehensive orthodontic treatment or retention is in progress as of the member's effective date. Listed services, exclusions and limitations do not constitute a contract and are a summary only.

New Mexico Residents - Important Notice

The coverage provided under your benefits plan or policy underwritten by Guardian is limited in nature and may not provide financial protection for significant costs that you could incur for the diagnosis or treatment of COVID-19 ("Corona virus") related illness.

If you do not have comprehensive major medical coverage, in addition to the plan or policy issued by our company, you may incur significant uninsured medical expenses associated with the diagnosis and treatment of illness caused by COVID-19.

Major medical plans offer robust consumer protections, and are required to waive all deductibles, co-pays and other cost sharing expenses for the diagnosis or treatment of COVID-19 related illness. Your policy or plan with us is not a major medical plan and does not provide such protections.

If you do not have major medical coverage, you may:

1. Contact a licensed insurance broker or agent to see about major medical coverage availability.
2. To see if you are eligible for a special enrollment period for major medical coverage through the New Mexico Health Insurance Exchange, contact beWellnm toll-free at 1-833-862-3935.
3. To see if you are eligible for Medicaid coverage and to complete an application, please call the Human Services Department's Medicaid Expansion Hotline toll-free at 1-855-637-6574 or visit <https://www.yes.state.nm.us/yesnm/home/index>.
4. To see if you are eligible for high risk pool coverage, please contact the New Mexico Medical Insurance Pool (the "High Risk Pool") at 1-844-728-7896 or <https://nmmip.org/>. If you are uninsured and have a COVID-19 diagnosis, your condition qualifies you for Pool coverage.

The Centers for Disease Control and the New Mexico Department of Health each have websites with considerable information on COVID-19. Visit each website at <https://www.cdc.gov/> or <http://cv.nmhealth.org/>. Individuals who have symptoms consistent with COVID-19 should immediately call the NM Department of Health at 1-855-600-3453.
