

Bradken's Wide Roller Path (WRP) Crawler Shoe

Lasts 33% longer
compared to DRP offerings

Increase Safety and reduce your Total Cost of Ownership with Bradken's WRP Crawler System for Komatsu® (P&H®) 4100XPB/XPC rope shovels.

Reduced Maintenance

Avoid costly and unsafe practices such as toe nail cutting with reduced material flow.

Reliability

With Bradken, you purchase direct from the manufacturer allowing for control over quality and consistency of the product.

Lifetime Savings

Over the course of the shovel's life the Wide Roller Path undercarriage will require a purchase of 2 less undercarriages compared to OEM models.

Improved Availability

Increase the time between heavy outages for undercarriage maintenance and change out.

Instant Wear Performance

Reduce long break-in periods and premature wear with Bradken's EDH Process.

Lasts 33% longer than DRP offerings

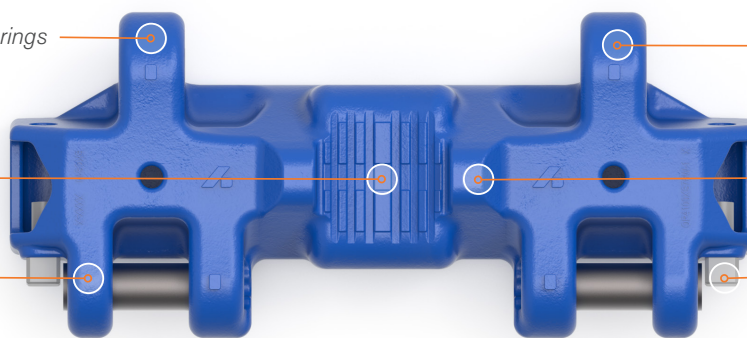

Thickened pin eyes

Reinforced roller path structure

Shortened track shoe drive lugs

Superior Material

Improved pin retention hardware
