Meissie¹, why are you looking so sad?
I said, meissie, please stop feeling so bad
I said, meissie, you are in Amsterdam
That is, rea-son-for-a-par-ty

Gozer², this one's really the shit
I said, gozer, if your budget's not it
You can stay here, who knows what you will find?
Lots of, beer-and-awe-some-friends

I like to be at the A-S-V-Gay
I like to be at the A-S-V-Gay
All the queers sing along, let's all have some fun
We keep going from dusk till dawn

I like to be at the A-S-V-Gay
I like to be at the A-S-V-Gay
And after plenty of beer, my confidence is now here
So I ask them for a kiss (Yay, consent!)

Hey there, at which school are you?
At the, UvA, HVA or the VU?
Tomorrow, I've got four exams straight
But I, don't-care-'bout-that-to-day

We are, all going on a trip
I said, kweekweek, all the genders can join
I said, Pride boat, with the A.S.V.Gay
I would, love-to-join-you-some-day

I like to be at the A-S-V-Gay
I like to be at the A-S-V-Gay
All the queers sing along, let's all have some fun
We keep going from dusk till dawn

I like to be at the A-S-V-Gay
I like to be at the A-S-V-Gay
All the queers sing along, let's all have some fun
We keep going from dusk till dawn

I like to be at the A-S-V-Gay
I like to be at the A-S-V-Gay
And after plenty of beer, my confidence is now here
So I ask them for a kiss (Yay, consent!)

Hey there, what do I know you from?
Was it, Janey, or was it you there at PANN?
Was it, Grindr, but what was your name then?
I've had, way-too-ma-ny-beers

Are you, from the A.S.V.Gay?
I said, are you ever at that cafe?
At the borrel, of the A.S.V.Gay
I would, love-to-join-you-some-day

I like to be at the A-S-V-Gay
I like to be at the A-S-V-Gay
All the queers sing along, let's all have some fun
We keep going from dusk till dawn

A-S-V-Gay
I like to be at the A-S-V-Gay
Hey you, hey you, why do you look so sad?
Yeah you, yeah you, four exams in a row

A-S-V-Gay
I like to be at the A-S-V-Gay.
Hey you, hey you, what do I know you from?
Yeah you, yeah you, was it Janey or PANN?
A-S-V-Gay. . . .
