WHAT OUR CUSTOMERS SAY

Three cohorts, three designs, in their own words.

As a school we've worked with Reform for five years now, and every year the team at Reform is professional, informative and supportive. No question is too silly, no design too outrageous and the prompt responses and optimism is always warmly welcome! Most importantly, the final product is always of high quality and worn with pride by both staff and students. Thank you to Blake and the team at Reform, we look forward to working with you again!

KATHRINE, MERNDA CENTRAL P-12 COLLEGE

Layla from Reform worked closely with our school throughout the entire process. She was incredibly thorough, helped us stay on track with our timeline, and was super responsive and helpful every step of the way. Our students and staff were extremely happy with the final design, and the students were so excited to receive and represent their senior jerseys. It was a great experience from start to finish!

BRITTANY, BURWOOD GIRLS HIGH SCHOOL

The service was outstanding from start to finish. Communication was clear, the ordering process was well organised, and everything arrived exactly as expected. The order was delivered several weeks ahead of schedule, which made a huge difference for us and was greatly appreciated. I honestly have no suggestions for improvement. The team was responsive, professional, and incredibly helpful throughout the entire process. We would be very happy to work with you again.

AMANDA, ST. NARSAI ASSYRIAN CHRISTIAN COLLEGE
