1. Where are you flying to?

2. What is your flight number?

3. What time is your flight?

4. What time does the Gate close?

5. What is your seat number?

Look at the nearest Departures Board.

What time do the next 2 flights leave at and what is their destination?

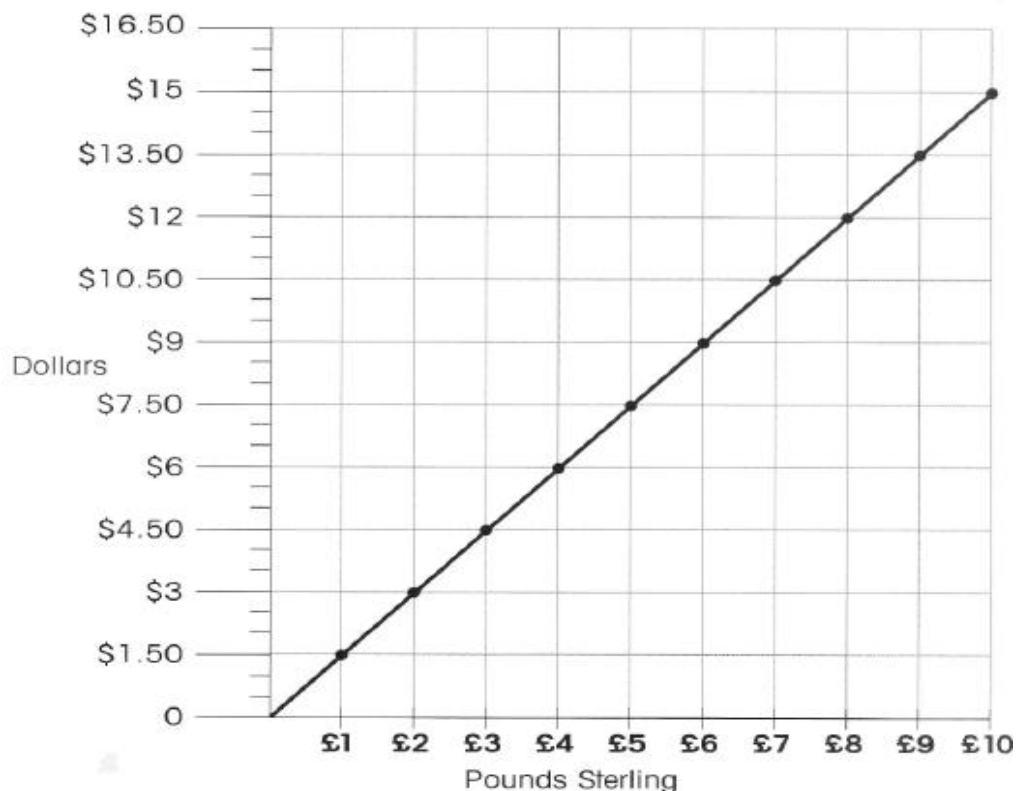

- Flight 1 Departure time: Destination:
- Flight 2 Departure time: Destination:

Currency

a) Where could you exchange Pounds to Euros at the airport?

The exchange rates change every day. The conversion graph below compares the rate of exchange between American dollars and pounds sterling. Today, £1=\$1.50.

b) How many dollars could I get for:

i) £2 = _____

ii) £5 = _____

iii) £10 = _____

c) A family is going on their holidays to Disney Land from London City Airport. The children have been saving for the past 10 weeks. Zack managed to save 75p a week and Sophia saved £1.50 per week.

- How much did Zack save?
- How much did Sophia save?
- How much did they save in total?

d) Using the currency conversion graph answer the following:

- How many dollars will Zack exchange his pounds for?
- How many dollars will Sophia have?
- Zack buys a skateboard costing \$14. How much does he have left? (Give your answer in dollars)
- Sophia wants to buy postcards to send home. Each one costs \$1.50. How many can she buy with \$10?
- Zack has \$3 left at the end of his holiday. How much is this in pounds sterling?

•

Hand Luggage

When travelling through an airport, there are certain things you cannot take through security.

Each item of liquid packed must be no more than _____ml.

Draw a line to show which items can be taken through security, and which you would throw away.

100ml

330 ml

370 g

20 g

1 litre

342 g

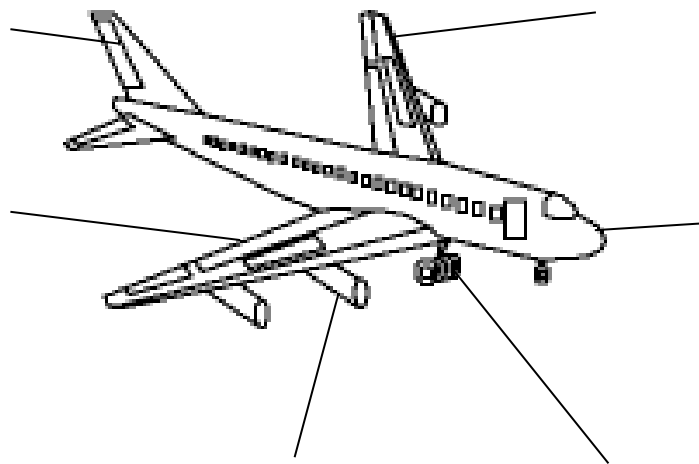

Hint!

100ml = 100g

Parts of a Plane

Using the words listed, label the parts of the plane and sketch the airport's surroundings.

Plane parts

Cockpit Tail wing Wing Flaps Turbine engine Front wheels

Surroundings

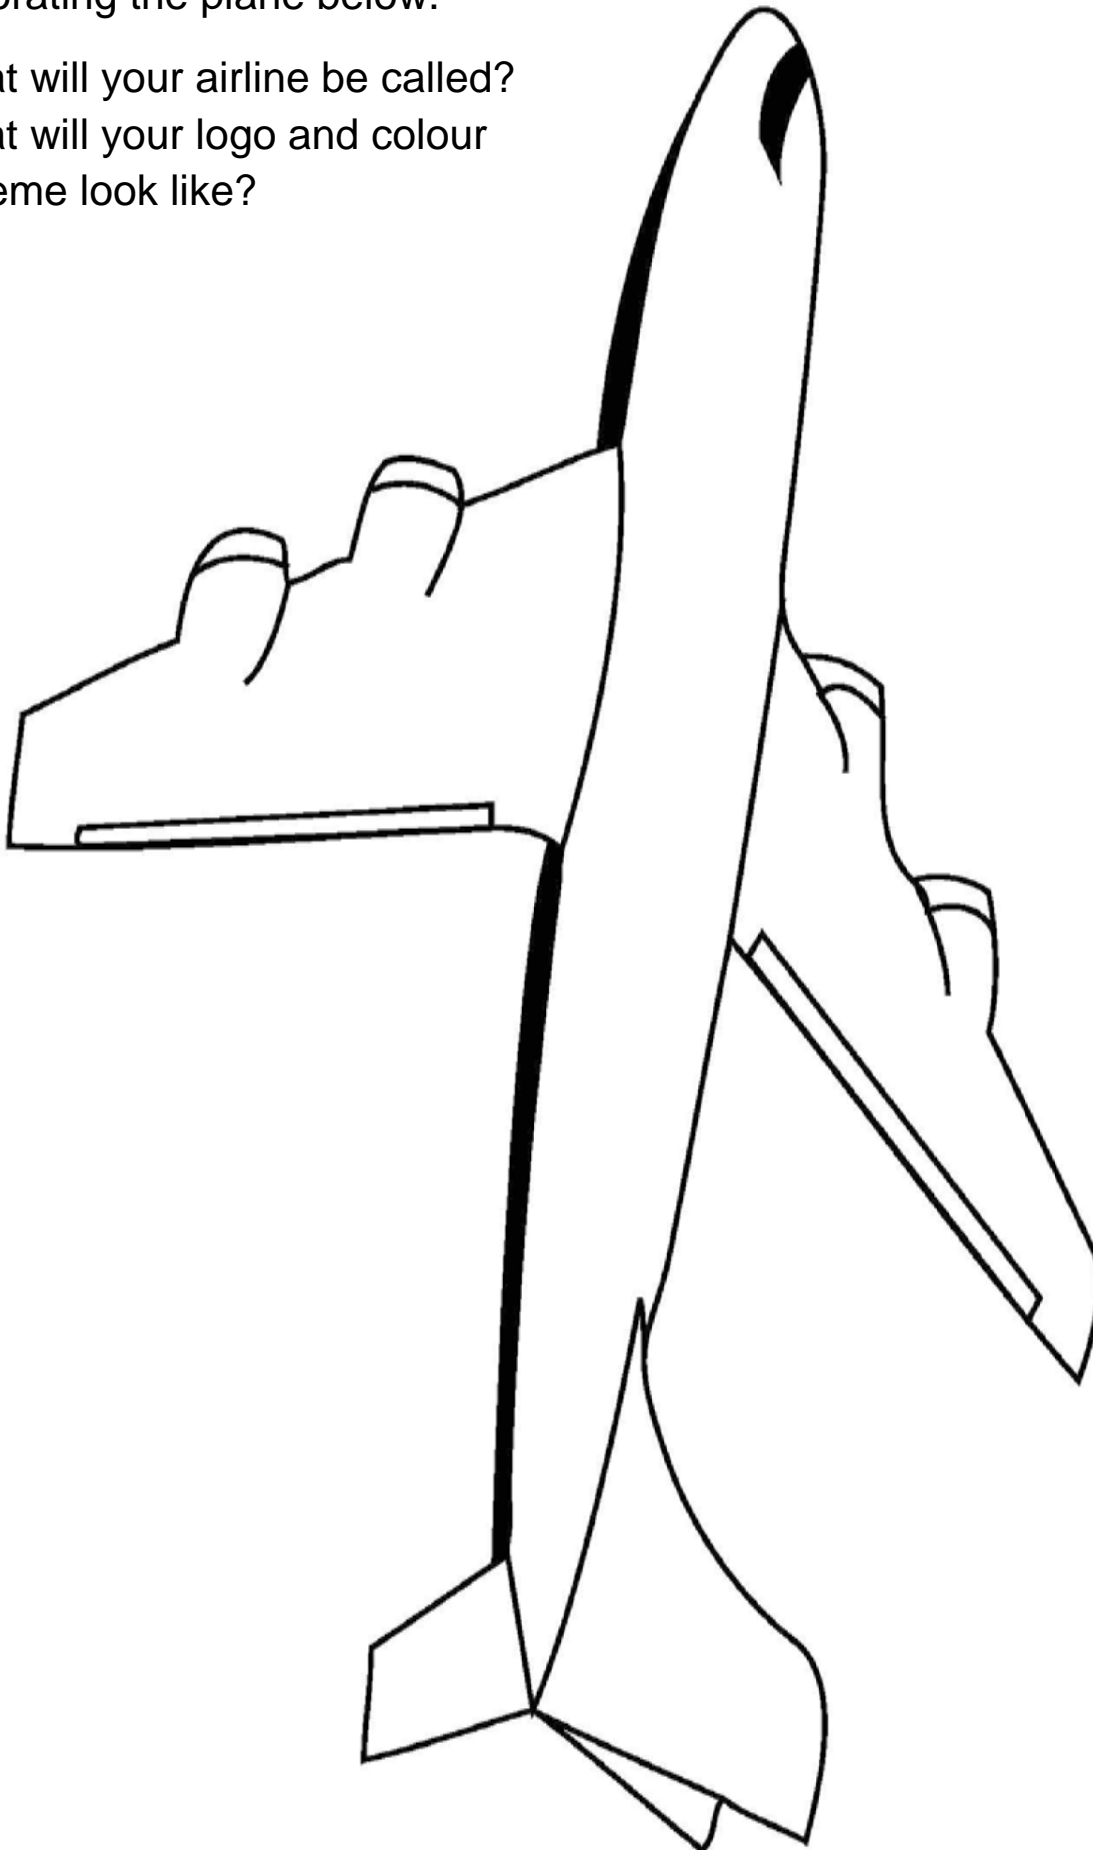

Air Traffic Control Tower Dock Runway

My airline

Create your own airline by
decorating the plane below.

What will your airline be called?

What will your logo and colour
scheme look like?

5. Area where boarding a plane

Glossary of Terms

airport a place where planes arrive and leave, consisting of runways (=long roads where planes land and take off) and large buildings for passengers called terminals

arrivals the part of an airport that deals with passengers who are arriving

baggage reclaim the place in an airport where people get their luggage after a flight

boarding pass a ticket that allows you to board a plane

carousel moving surface in an airport from which you collect your bags

check-in the desk or machine you go to when you arrive at the airport to check in to your flight. It is also where you take your suitcase to be checked in

control tower a tall building at an airport from which people control the movement of aircraft. The people who do this job are called Air Traffic Controllers

currency the type of money used in different countries

departure lounge a large room in an airport where you sit and wait before going onto a plane

departures the part of an airport that deals with passengers who are leaving

dock a man-made enclosed area of water, built for the shipping industry

gate the specific room or area at an airport where people board their plane

immigration the place at an airport where government officials check the documents of people entering that country

passport an official document issued by a government, showing the holder's identity and allowing them to travel to and from other countries

runway a long road used by planes when they land and take off, usually at an airport

scanner a piece of equipment that is used at an airport for producing a picture of the inside of people's bags

security the area before the departure lounge where travellers and their bags are scanned and checked

the ramp the part of an airport where the planes stop and that people walk across to get on a plane

terminal a large building at an airport where passengers arrive and leave
