5. Entry to the Promotion is free. Entry is open to residents of Australia who are 18 years of age or older and who have a current customer account with the Promoter.

6. The following people are not eligible to win any prizes resulting from this promotion:
 - a) directors, managers, agents, employees of the Promoter Group and their immediate families; and
 - b) a person whose betting account with the Promoter Group is restricted in any way (including with respect to Ladbrokes promotions), suspended or inactive due to a Responsible Gambling concern or for another reason.
7. Entrants may access the Promotion by logging into their Ladbrokes Account on their desktop browser or via a Ladbrokes app, and navigating to the 'Ladbrokes Twenty 20 Tip Off (Cricket)' Free to Play Game site (<https://www.ladbrokes.com.au/free-to-play-games>) **(the Game site)**.
8. The entrant will then be permitted to make selections relating to upcoming Twenty 20 Cricket Big Bash matches ('Main Gameplay'). For each of the matches on the specified days between the Promotion sub-Period the entrant must make the following selections:
 - a. the team to win the match **(Win)**;
 - b. which team will hit the most sixes in the match **(Most Sixes)**;
9. A 'Captain's Call Feature' (Pick The Winning Score) will be used on one match within each Promotion sub-Period. The "Captain's Call Match" will be the last scheduled match of the Promotion sub-Period. The entrants will be presented with a slider that allows them to choose the number of runs they believe the winning team will score. The number of runs that can be selected will range between 0 and 400. Entrants are scored based upon how close they are to the final winning number of runs.
10. The 'Captain's Call Feature' is used as a tiebreaker if there's more than one entrant with the same score. If, for example, you predict that the winning team scores 245 runs, and they score 260, you'll receive a Margin score of 15 (the difference between your prediction and the actual result). Your margin is recorded just for that Promotion sub-Period, where tipping scores are tied – the entrant with the lowest margin score is ranked highest.
11. With regard to the 'Captain's Call Feature', if an entrant picks the exact score, they are awarded 0 points.
12. 'Main Gameplay' and 'Captain's Call Feature' points are not aggregated. They are recorded separately. The 'Captain's Call Feature' points are only used as a means to differentiate between entrants who score the same number of points in the 'Main Gameplay'.
13. Entrants will be able to submit their selections for each nominated Twenty 20 Cricket Big Bash matches from at least 9:00am the day before the advertised start time of that first match within the Promotion sub-Period.
14. Entrants will be able to amend their selections only up until the advertised start time for the associated match, after which entry for that match is closed and selections for the match will no longer be accepted.

15. Unless otherwise stated, the results for **Win** and **Most Sixes** will be decided based on the official www.cricket.com.au and www.bigbash.com.au scores at the completion of play (**the Outcome**).
16. All match betting will be settled in accordance with official competition rules.
17. Only sixes scored from the bat (off any delivery – legal or not) will count towards the total sixes. Overthrows and extras do not count.
18. Sixes scored in a super over do not count.
19. If a tie occurs for most sixes, points will be awarded as half face value of the Ladbrokes SP fixed odds price x virtual \$10AUD.
20. In matches affected by adverse weather, selections will be settled according to the official result. This includes matches affected by a mathematical calculation such as the Duckworth-Lewis method (DL) or the Jayadevan system (VJD).
21. In the case of a tie, where a bowl off or super over determines a winner, bets will be decided based on the official www.cricket.com.au and www.bigbash.com.au scores at the completion of play (**the Outcome**).
22. Should a match be postponed after the start time for that match, all selections relating to that match will stand until the match is played and completed. Should a match be abandoned, cancelled or not completed, all selections for that match will be classed as void. If there is no official result for a match, all selections will be void.
23. To determine the scoring, each selection from each entrant will be allocated a virtual equivalent of \$10AUD. The virtual \$10 will then be used to calculate a dividend, based on the Ladbrokes SP or Fixed Price associated with the entrant's selections as at the advertised start time for the match, and on the Outcome for that match. The dividend will represent the entrant's score associated with that particular selection.

For example, where an entrant successfully tips a match with an associated Ladbrokes Fixed Price or SP of \$1.70 (Win) and \$4.00 (Most Sixes), the entrant's score for that match would be calculated by multiplying the SP or Fixed Win Price with the virtual \$10, then subtracting the virtual \$10 from the total amount. This process would then be repeated with the additional virtual \$10 and the SP or Fixed Most Sixes Price, with both sets of points then added to form the entrant's total points for that match. For example:

$$\begin{aligned}
 \$10 \times 1.70 &= \$17 - \$10 = \text{Score of 7 (Win points)} \\
 \$10 \times \$4 &= \$40 - \$10 = \text{Score of 30 (Most Sixes points)} \\
 30 + 7 &= 37 \text{ (Total points)}
 \end{aligned}$$

It is possible for an entrant to tip the incorrect Win market, but tip the correct Most Sixes market result. In this case, the entrant will receive points in accordance with the above

calculation for the Most Sixes market, but will receive no points in relation to their tip for the Win market.

It is also possible for an entrant to tip the correct Win market, but tip the incorrect Most Sixes market. In this case, the entrant will receive points in accordance with the above calculation for the Win market, but will receive no points in relation to their tip for the Most Sixes Market.

As the price for each selection will be calculated based on the official Ladbrokes SP or Fixed Price as at the advertised start time for the match, the price shown at the time the entrant is making their selections may be different to the price used for score calculation purposes.

24. Each Monday, the Promoter will tally the scores earned by the entrants for the preceding week's Twenty 20 Cricket Big Bash matches as outlined in the Promotion sub-Periods.

25. Each Promotion sub-Period will have associated prizes that will be awarded to the entrants whose selections have generated the highest scores for that sub-Period (being the largest total amount of dividends). The prizes available for each Promotion sub-Period will be as follows:
